PROUD BOYS – NOT WELCOME IN APPALACHIA!

25. FEBRUARY 2018

We received a tip last week that about a dozen Proud Boy shmucks went out in uniform together to a local watering hole. We obtained a photograph of the meet up and were able to positively identify all individuals who came out that night. It's worth noting that more than half of these fools were brought in from out of town, with the largest number of them traveling from the Charlotte area. With them they brought their filthy misogyny, homophobia, and islamophobia.

In response, last night Asheville Anti Racism and affiliates filled the streets with the names and faces of local Proud Boys. In an attempt to keep our community safe we were sure to visit all local restaurants, bars and breweries. We were thrilled with the enthusiastic and grateful reactions from bartenders, managers and customers alike! Some folks needed a bit more explaining than others but for the most part everyone knew these people were a problem either way. It was especially juicy when we were informed Wilton Jordan had already been turned away and kicked out of bars over the last few weeks, hah! Sometimes the trash takes itself out. One door guy with a “fuck racism” shirt on was particularly pumped for the detailed tip-off.

Overall it was a really successful and effective night. Community outreach is *essential* in strengthening local ties. Working together is the only way to stop this filth from spreading. The fact is that nobody wants fascism in their communities, hearts OR businesses! It is wonderful to see our community so excited to stand against worms as slimy as the PBs.

Keep an eye out!

For more information on the names, addresses, family members etc of the proud boys mentioned above please send us a private message.

ATTENTION:

PROUD BOYS SHOULD BE PROUD TO KNOW THEY ARE PREEMPTIVELY 86'D FROM AVL BARS AND BREWERIES. YOU ARE NOT WELCOME HERE! APPALACHIA IS ANTI FASCIST AND YOU CAN EXPECT A FIGHT WHEN YOU RETURN. WE SUGGEST YOU STAY ONLINE. WE ARE ON THE STREETS.

KNOWN ALIAS - HAABUU
 DESCRIPTION: TRADITIONALLY UNATTRACTIVE - MID 20s - BROWN EYES -
 5'8 - OLIVE TONE CURLY TOP WITH SHAVED SIDES - DARK HAIR

WHY WILTON JORDAN IS A THREAT TO YOUR COMMUNITY : Jordan is a current Proud Boy organizer and Anticom affiliate. The Proud Boys are a fratry boy group who pride themselves on getting in street brawls with left-wing protesters. They value "Western Chauvinism" which has encouraged many fascists and racists to join the group. They are an anti feminist, racist, right wing reactionary organization. Jordan has invited dozens of other dirty diaper Proud Boys into our community and we will not stand for it!
 *Wilton claims to be anti fascist, anti racist, and LGBTQ friendly but his disgusting and problematic behavior proves otherwise! For this reason he and the Proud Boys are particularly dangerous!
 Do NOT let this individual manipulate you or your loved ones!

LOCAL ALERT: THE PROUD BOYS

Who are they? - The Proud Boys are a so-called "fraternal organization" that prides itself on getting in street brawls with left-wing protesters, has little in the way of an actual mission outside of self-described "Western Chauvinism," which has encouraged many fascists and racists to join the group. Proud Boys have trans phobic, anti feminist, white nationalist and violent beliefs. They are pro-men's rights, which seeks to dismantle the social and economic equality women have earned.

WHY ARE THEY DANGEROUS? - The Proud Boys are third positioners which means they present themselves as "beyond left and right", while synthesizing ideas from each end of the political spectrum they usually cultivate dangerous reactionary right-wing cultural views and radical left-wing economic views. This makes the Proud Boys particularly dangerous, while they may claim to be LGBTQ friendly, anti racist and anti fascist, their hostile views and violent actions clearly prove otherwise.

THEY HAVE BEEN KNOWN TO WORK AND ORGANIZE WITH SEVERAL FAIRWIND WHITE NATIONALIST GROUPS, AS WELL AS BEING PRESENT DURING CHARLOTTEVILLE RALLY THAT ENDED IN THE DEATH OF AN ANTI-RACIST. SOME INCLUDING: IDENTITY EUROPA, CASCADIA LEADERS, THE TRADITIONALIST WOMEN'S PARTY, RISE AND MORE.

OUTSIDE OF THEIR OVERALL BEHIND AND OBLIVIOUS VALUES - IT IS WORTH MENTIONING THAT THEIR FOURTH DEGREE RITE OF PASSAGE INTO THE GROUP INCLUDES BEATING UP ANY ANTI FASCIST. IF YOU ARE ANY TYPE OF PERSON WHO DOESN'T CONDONE FASCISM, THAT COULD BE YOU!

WHAT TO LOOK FOR :

IT IS UNCLEAR WHY, BUT THE FBI ARE ALWAYS THROUGHOUT THIS SCENE SET UP IN FACTOR. MAKE THEM SURE, MAKE THEM SURE.

IF YOU COME INTO CONTACT WITH THESE BOUM BANGS - STAY SAFE! LET YOUR LOVED ONES AND COMMUNITIES KNOW ASAP. CONSIDERING THEIR TOXIC AND REACTIONARY NATURE WE DO NOT RECOMMEND ENGAGING, AS FURTHER ENGAGEMENT WOULD DO WHAT MAKES THEM FEEL COMFORTABLE. REPORT ALL PROUD BOY ACTIVITY TO YOUR LOCAL ANTI RACIST ORGANIZERS, SEND AN EMAIL WITH A DATE, TIME AND LOCATION OF ANY RUN IN AND WE WILL ACT APPROPRIATELY.
