Phone Jam!

Precision Cast Parts Corp HR department and their Communications department, and inform them that Russell Schultz is a violent member of the Proud Boys hate group. Schultz has posted threatening social media posts, and assaulted community members and activists. On June 8, 2018 he and other Proud Boys assaulted a random person on NE Broadway. He openly claims to work with white nationalists and fascists in order to threaten and attack activists. He is homophobic and a misogynist. Tell them that the community will not stand for employees of corporations in the Portland area invading downtown in order to assault activists, and to defend fascists spreading hate and intolerance.

Russell Schultz

Russell Schultz began as a relatively mild-mannered sycophant attached to the rear of Joey Gibson's Patriot Prayer organization. He made a lot of posts in Gibson's online comment threads, often appearing to trying to present himself as an "expert"

December 16, 2017 while in San Francisco to attend an anti-immigrant hate rally with fellow Patriot Prayer follower Tusitala “Tiny” Toese. In the aftermath of his convalescence, Schultz joined the Proud Boys hate group and has appeared to focus his energy on projecting himself as an avatar of “virility” and masculinity, often resorting to sadistic and even overtly fascist talking points and symbols.

Russell Schultz is pictured with conspiracy theorist and infamous GOP “ratfucker” Roger Stone. Also pictured are Proud Boys Robert Zerfing, Matteo Dagradi, Derrick Lancaster, and Jake Farmer; as well as PSU College Republicans President Philip Arola.

Russell Schultz Actually, once again RCA lies through their teeth. We DO have a mole inside your "SCENE" but you don't know exactly who it is.

Schultz cites misogynist Jordan Peterson as inspiration for the Proud Boys.

I have always stood up for the person being bullied. Yesterday was no different. If you have a beef with someone, say your peace and Move On. You continue to bully someone, I'm going to jump in the middle to stop it.

What happened yesterday to Raul was no different than how Jeremy Christian treated those girls on the max train. I would have stepped up to defend them from him too.

You may not agree with someone's political or social beliefs, religion, fashion sense, but that gives you no good reason to bully that person.

Yesterday I didn't jump in the face of some cowardly guy wearing a mask. I GOT DIRECTLY NOSE TO NOSE WITH ANOTHER JEREMY CHRISTIAN! You masked avengers make me sick. You are exactly who you preach not to be.

You don't BULLY, or BEAT false ideals out of someone, you use logic, reason and education. You lead by example and work to show them a better way. Raul is a good kid. Had a super rough upbringing. He has my protection. As long as he remains on the right path, and never bullies other people, that protection remains intact.

Schultz recycles the “helicopter rides” meme that celebrates the extra-judicial murder of leftists by South American dictatorships.

In the following two video clips, Schultz is seen attacking clinic defenders outside Planned Parenthood in Olympia, WA on February 9th, 2018.

Schultz, wearing a blue hat, punches an activist in the back of the head. Another Proud Buy sprays activists coming to the person's aid with bear mace, as Schultz attempts to drag the person into the blast.

On June 8, 2018, a person walking on the street in Portland was attacked by Proud Boys Tusitala "Tiny" Toese and Donovan Flippo. As reported by *The Guardian*, they jumped out of Russell Schultz's truck in order to punch the man.

A witness, who did not wish to be identified, told the Guardian she saw the attack from a block away. Toese, she said, punched Ledwith. Flippo, she said, stood beside Toese but was not physically involved. Ledwith offered no physical provocation, the witness said, and did not respond violently. Photos showed Ledwith's injuries and Flippo walking towards the pickup truck, wearing a T-shirt marked "Antifa Removal Service". The pickup, which carries Washington plates, is registered to Russell Schultz of Vancouver, Washington, a known attendee at Patriot Prayer rallies.

This Dodge Ram pickup truck is listed in the details below.

Schultz is claiming that he will soon move to Cowlitz County, but currently he is still the legal owner of the house listed below. At various times Tiny Toese has also claimed to live at this address.

Kory Bentley

Kory Bentley has been attending Joey Gibson's events since the first Vancouver rally on April 2nd, 2017. Derrick Lancaster

Derrick Lancaster has attended a number of Patriot Prayer events, and taken part in assaulting activists with other Proud Boys. Recently, he has been serving as “campaign manager” for Joey Gibson’s Washington senatorial campaign. It is difficult to say if it is Lancaster’s or Gibson’s idea that continuing to associate with a white nationalist organization like the Proud Boys will help Gibson get elected. But as Lancaster is a member of the Proud Boys, Gibson’s campaign can definitely be said to be run by a white nationalist.

Daniel W Garris

Daniel Garris is a large and aggressive Proud Boy who, like his fellow hate-group-member Travis Nugent, can frequently be seen shoving himself into bodies of people significantly smaller than him in clumsy attempts at intimidation while yelling awkward Alt-Right slogans like "you're a beta cuck". Garris has been attending Joey Gibson's far-right events with increasing frequency in recent months.
