

CHICAGO ANTIFASCIST ACTION

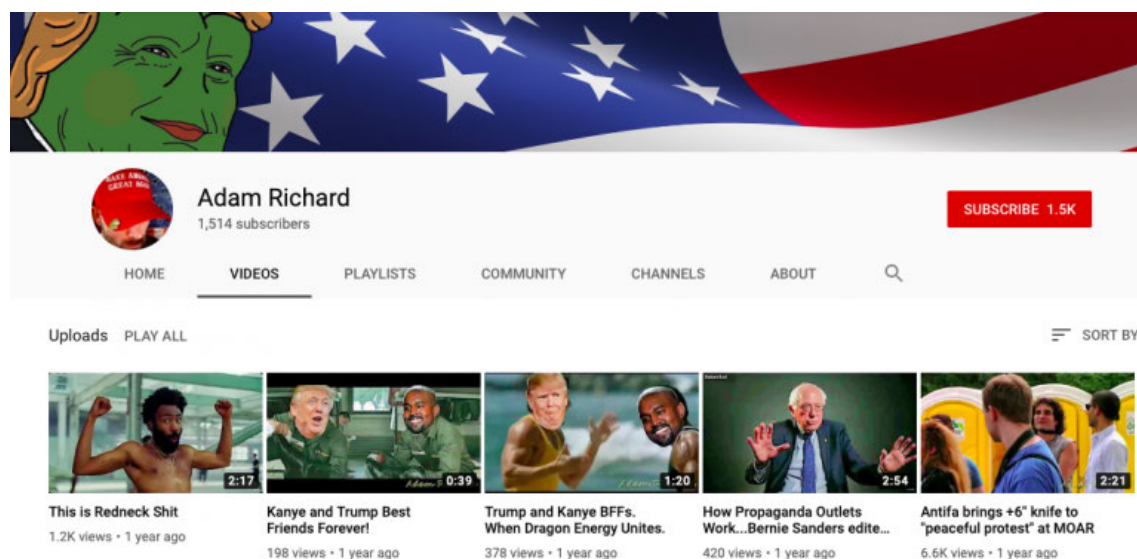

Fighting the good fight against those who would see us and our loved ones dead, deported, or dispossessed

2019/07/26 BY CHICAGO ANTIFA

Adam Richard Glenn, Charlottesville attendee and Chicago Proud Boy

That ranting, unhinged chud up there? That's Adam Richard Glenn, of Chicago, who cleverly tries to hide his identity by using the aliases Adam Richard or Adam Alt Richard. He has his own [Youtube channel, under Adam Richard, easily findable here](#) and [also here](#)

But also archived here: <http://archive.is/W4ryK>

After we found the Sabotage video posted by a Proud Boy, we downloaded it before the video creator, Proud Boys Chicago Chapter President Trigger Tom Christensen took the private video down. He wasn't quick enough because we were able to download a copy and make it widely available.

Plus we were able to pull screenshots, where these geniuses used their real names in the intro credits:

Nice Proud Boys uniform. Bet your bros are really proud of your security culture

Have we mentioned the hilarious irony that these jag offs busted themselves and their violent far-right Proud Boy network to the tune of Sabotage?

But wait, who are these bumblebee-looking motherfuckers, ruining the iconic Fred Perry's? Fred's chairperson, by the way, gave a very strong disavowal of the Proud Boys and would very much like for these alt-right bros to stop wearing his shirts. Ouch. Fred is not so proud of your boys.

In case you already know who these chuds are, feel free to skip ahead. To keep it consistent, we're going to pull the same public, easily available information we used in Trigger Tom Christensen's article from Wikipedia, the ADL and the SPLC:

Proud Boys

From Wikipedia, the free encyclopedia

The **Proud Boys** is a [far-right neo-fascist](#)^{[9][10]} organization which admits only men as members and promotes [political violence](#).^{[2][11][12][13]} It is based in the [United States](#) and has a presence in [Canada](#), [Australia](#), and the [United Kingdom](#).^{[14][15]} The group was started in 2016 by [Vice Media](#) co-founder and former commentator [Gavin McInnes](#), taking its name from the song "Proud of Your Boy" from the [Disney](#) film *Aladdin*.^{[16][17]} Proud Boys emerged as part of the [alt-right](#), but in early 2017, McInnes began distancing himself from the alt-right, saying the alt-right's focus is [race](#) while his focus is what he defines as "Western values". This re-branding effort intensified after the [Unite the Right Rally](#).^{[18][19]}

The group sees men — especially white men — and Western culture as under siege; their views have elements of [white genocide conspiracy theory](#).^{[20][21][22]} While the group claims it does not support [white supremacist](#) views, its members often participate in racist rallies, events, and organizations.^[23] The organization glorifies violence, and members engage in violence at events it attends; the [Southern Poverty Law Center](#) (SPLC) has called it an "alt-right fight club".^{[23][24][25]}

In late November 2018, a news story which attracted national attention^[26] reported that the FBI classified the Proud Boys as an extremist group with ties to white nationalism;^[12] however, two weeks later, an FBI official denied that it was their intent to classify the entire group in this manner, and ascribed the mistake to a misunderstanding.^{[26][27]} The official said that their intent was to characterize the possible threat from certain members of the group.^[28]

Literally the first thing that comes up in an internet search

EXTREMIST GROUP INFO:

SPLC DESIGNATED HATE GROUP

Date Founded: 2016

Location: New York City, New York

Ideology: [General Hate](#)

Their disavowals of bigotry are belied by their actions: rank-and-file Proud Boys and leaders regularly spout [white nationalist](#) memes and maintain affiliations with known extremists. They are known for [anti-Muslim](#) and misogynistic rhetoric. Proud Boys have appeared alongside other [hate groups](#) at extremist gatherings like the "[Unite the Right](#)" rally in Charlottesville. Indeed, former Proud Boys member [Jason Kessler](#) helped to organize the event, which brought together Klansmen, antisemites, Southern racists, and militias. Kessler was only "expelled" from the group after the violence and near-universal condemnation of the Charlottesville rally-goers.

Other hardcore members of the so-called "alt-right" have argued that the "western chauvinist" label is just a "PR cuck term" McInnes crafted to gain mainstream acceptance. "Let's not bullshit," Brian Brathovd, aka Caeralus Rex, told his co-hosts on the antisemitic The Daily Shoah

— one of the most popular alt-right podcasts. If the Proud Boys "were pressed on the issue, I guarantee you that like 90% of them would tell you something along the lines of

[WHO WE ARE](#)[WHAT WE DO](#)[EDUCATION](#)[RESEARCH & TOOLS](#)[NEWS](#)[TAKE ACTION](#)

Key Points

- The Proud Boys, founded by Gavin McInnes, are a right wing “fraternity” who present themselves as proponents of mainstream conservative values, but engage in extreme, often violent tactics to promote their agenda. The group is not cohesive and is highly decentralized.
- The Proud Boys abhor progressive policies, liberalism and what they call “political correctness,” regularly use violence in the form of street fights, and promote violence in speeches, podcasts, and videos.
- The group, which is nominally part of the alt lite, is overtly Islamophobic and misogynistic, and some members are also anti-Semitic and racist.
- The group’s members regularly engage in physical altercations as part of their hazing and membership rituals, promoting violence both as a means of becoming an official Proud Boy and as a tactic for defending their values.

And the debut of another article, from [the Miami New Times](#), from December 2018, featuring who we believe to Adam Richard having his [CW: racial slurs] private messages leaked from what he believed was a secret chat on a secret platform. You’d think Adam would learn from his mistakes of trusting these jabronis. But here we are, outing him because of someone else. Again. Oh well.

The Proud Boys recruit members through social media, but between August and October, McInnes and his followers were banned from Facebook, Twitter, and Instagram for violating the platforms' rules against hate speech (many have since simply made new Facebook profiles). For a time, they moved to Minds, a platform that does not censor speech.

It is on Minds that Vitolo-Haddad, the Wisconsin-Madison researcher, gained access to a private Proud Boys group. Though all four Proud Boys interviewed by *New Times* said they oppose racism and disavow white supremacists, screenshots Vitolo-Haddad shared with *New Times* from the private group show something very different.

"Zuckerberg is a Nigger-faggot!" one Proud Boy named Adam Richard declared this past October 30. The next day, another group member, who

Charming.

A quick search of Adam Glenn lands us on his previous doxx, after Charlottesville from an anonymous eagle-eyed researcher in the days following Unite the Right (archive: [here](#)).

Following the immediate aftermath of Unite the Right and the expansive condemnation of white nationalism, Adam Richard Glenn found himself under a microscope.

Has anyone tried asking Adam Richard if he knows anything about this guy?

Adam Glenn, the owner of Logan Square's Bike Lane, keeps an eye on the infamous Facebook group Chicago Bike Selling, where stolen cycles have been known to turn up for sale.

Proud boy from Chicago, Known for going to Alt-Right events wearing a GoPro and helps fascist and other white nationalist doxx anti racist protesters. His likes include liking posts on twitter about over turned rape cases, agreeing with known White Nationalist and all around chauvinism. He has also been part of the fix gear community in Chicago and is quoted in an article online of being the owner of Logan Square Bike Lane.

Public outcry was so intense that Adam Richard Glenn's previous bike shop put out a statement disavowing him, which was re-posted in Chain Link, a Chicago bike forum that he was suspended from immediately thereafter. No one likes bike Nazis.

I've heard that he no longer works at The Bike Lane although I'm not sure, can anyone confirm?

EDIT: Adam is no longer affiliated with the Bike Lane, see comments below.

He is no longer an owner and has not worked at The Bike Lane in over 6 months. He is not associated with the shop at all.

The Bike Lane:

Hey Chicago, we wanted to address some of the recent events regarding an individual formerly associated with this shop. For all of those concerned, this individual is not an owner, has not worked here for over six months, and is not affiliated with the shop in any way. While many of you may recognize this individual from previous visits to the shop or from older articles online, know that they are no longer associated with The Bike Lane. This post may be confusing for some, but for those who know what this is about, we felt the need clarify our position. Whether you are a fan of our shop or not, please know that racism and bigotry have no place at The Bike Lane. We are a community bike shop and do not tolerate hateful words or actions of any kind.

<http://bikelanechicago.com/the-shop/1934/>

and then his suspension from the forum is the cherry on top:

I don't think he's been active recently on The Chainlink but I suspended his account. I don't want to give that kind of energy a platform in our community. I am sure The Bike Lane feels the same way.

After we found his YouTube, we found his Twitter where, like most of the Proud Boys who worship Pinochet, Adam wishes “helicopter rides” for others:

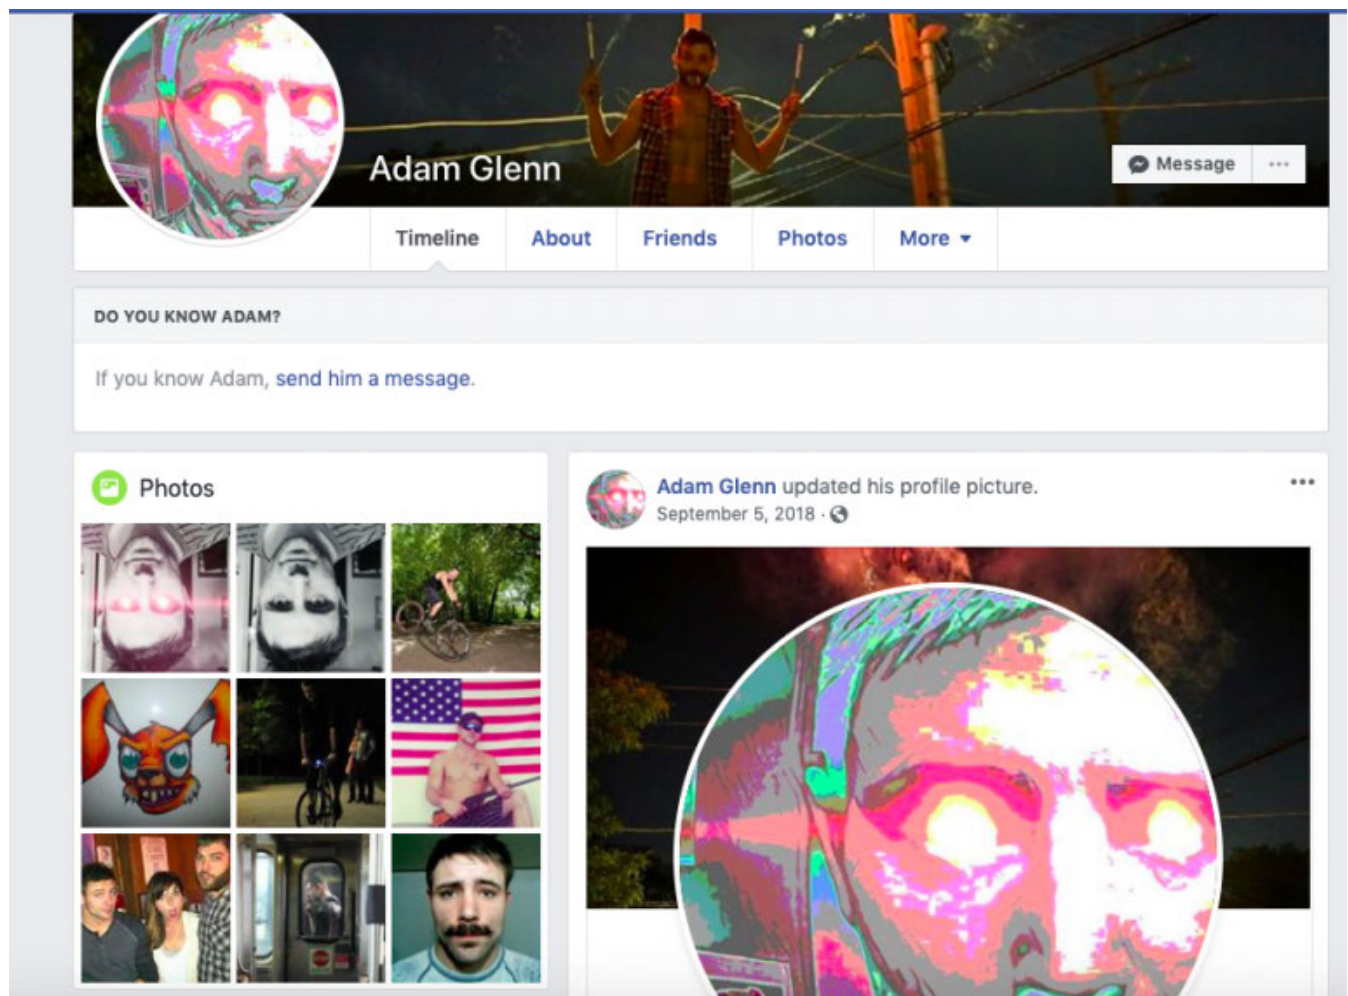

“Why are we spending billions of dollars on Law enforcement agencies. When 4Chan is 10x faster, more accurate and does it for the memes?”

Also Joseph Christian Evans needs a helicopter ride stat.

We found his two Facebook accounts, one under his real name (archive).

Adam Richard Glenn's Facebook is pretty sparse but still there. Recognize any of the folks in the pictures? Maybe want to give them a heads-up that they're in a dossier with a known white nationalist? Let us know how it goes! Our email is at the bottom of the article.

We then also found his alt, [Adam Alt Richard \(archive\)](#).

We saved it here:

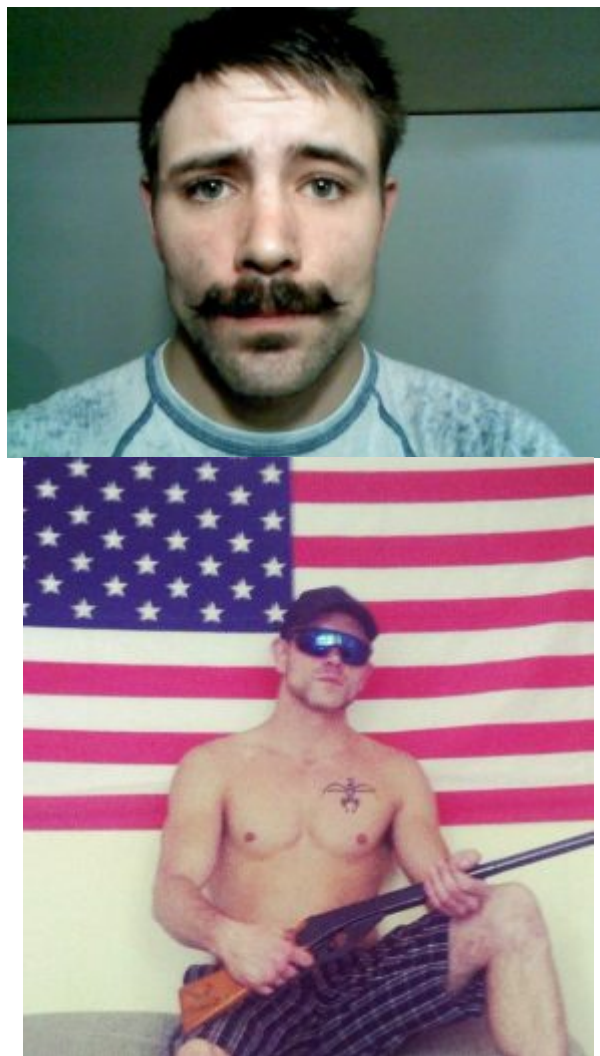

Again, very sparse. How were we able to connect the two? The art styles are really similar and the same people liked the same things. You'd really think these chuds would be smarter, but then again, they posted a video with their real names. Thanks Adam "Alt" Richard Glenn!

His birthday is May 18, 1987, making him 32 years old. We are still looking for his place of employment so if anyone knows him, feel free to email us tips. We were able to figure out where he lives, due to publicly available websites. He owns his own place and rents the other side. There is no central air but a detached garage. Since we can't post private information on this platform, we encourage everyone to check this [link](#).. He also has a [Gab account](#), like all white supremacists. So be sure to friend him on there and send us more leaked info!

Finally, we were able to dig up a little bit of background on Adam Richard Glenn, including how he grew up in Hoffman Estates, Illinois then went to Columbia College in the Loop to study film production. He lived near campus. Adam Glenn did not graduate. Adam has an arrest record from drinking and driving in Wisconsin.

Adam's sister Brooke lives in Downers Grove, Illinois.

His mother Karen sold their familial home and moved to Roselle, Illinois- which are both places Adam is linked to. We encourage his family members to publicly renounce him. Richard Glenn, his father, would probably be disappointed in the man Adam turned out to be. We'll never know because he died in 2012 just we're pretty sure no self-respecting gentleman would look at his son with proud eyes having watched his latest stream of consciousness rant from a dirty attic bedroom on YouTube:

As always, if you have any tips about Adam Richard Glenn, his crew, or any other fascists, reach out to us at antifascistchicago@riseup.net.
