Let's dive in on Dakota James West but first we would like to acknowledge those who spend countless amounts of time and effort to identify these Nazi bastards.

@trashpandaAFA @SunlightAFA @405JR also rosecityantifa.org/articles/patri... also this

Last spring we identified Clinton William Hudson also from the Tulsa area who was geolocated by local partisans after painting a banner in his front yard and bragging about it in the @UR_Ninja leaked RocketChat. #patriotfail

Hey Dakota West, not only did this lead to you being identified but Clint Hudson is to blame for you going from cool metal head to dipshit Nazi asshole. You're a follower and Clinton Hudson, by all accounts, is a psychopath.

Here is Dakota West today. Them earlobes don't lie. We have every indication that he is very active in Patriot Front activities and still is a threat to the community. He may also go by Dakota James Pomeroy.

Connecting the dots on Patriot Front activity in the area we also have reason to believe that he may now reside in the greater New Orleans/Slidell Louisiana area, more precisely Picayune, Mississippi. Lately it has become a hot spot, what's up with that Dakota?

Some information indicates that he may be attending college in the area and he may still work for @FedEx. We are not stating this as fact, please do not bombard the poor fedex social media people but it is worth a looksee right @FedExPolicy?

We would also like Oklahomans to take a hard look at these pictures. There is humor to our work but this is far from a laughing matter. These men have stated violent goals and are extremely dangerous. Please catch us in the DMs if you have any information on them.

We, and so many others, will never stop trying to identify and expose the people that organize for the purpose of hate and white supremacy. WE protect us!
