Doloan "Dylan" Daoud: Chicago Proud Boy Member

Probably the winner for having the worst operational security of all of the Chicago Proud Boys (and that's saying a lot considering how badly [Jeff Schwier](#), [Tom Frederick Christensen](#), and [Adam Richard Glenn](#) sabotaged themselves) is Doloan "Dylan" Daoud. We spotted Doloan/Dylan Daoud based on his [Twitter account](#) ([archive](#)) which followed both the MAGA Meetup Chicago page, which is a vehicle by which the Proud Boys and the American Identity Movement recruit members, as well as him following the @BoysOfLiberty account, which we found in a previous infiltration described [here](#) to be the front group for Proud Boys vetting and recruitment.

Doloan/Dylan Daoud really didn't try to hide his involvement with the Proud Boys at all. Here is a photo from his [Facebook \(archive\)](#) where he is standing next to Gavin McInnes – VICE media co-founder and founder of the Proud Boys. And someone with a jawline similar enough to Tom Christensen, president of the Chicago Proud Boys.

Proud Boys founder Gavin McInnes is a virulent racist, sexist and Islamophobe. He has a long history of bigotry, and of course the organization he founded is no different. The Proud Boys have a huge laundry list pertaining to their commitment to “Western Chauvinism” by which they commit street violence against protestors and try to intimidate people of color, minorities, queer people, and Muslims.

Date Founded: 2016

Their disavowals of bigotry are belied by their actions: rank-and-file Proud Boys and leaders regularly spout [white nationalist](#) memes and maintain affiliations with known extremists. They are known for [anti-Muslim](#) and misogynistic rhetoric. Proud Boys have appeared alongside other [hate groups](#) at extremist gatherings like the “[Unite the Right](#)” rally in Charlottesville. Indeed, former Proud Boys member [Jason Kessler](#) helped to organize the event, which brought together Klansmen, antisemites, Southern racists, and militias. Kessler was only “expelled” from the group after the violence and near-universal condemnation of the Charlottesville rally-goers.

Other hardcore members of the so-called “alt-right” have argued that the “western chauvinist” label is just a “PR cuck term” McInnes crafted to gain mainstream acceptance. “Let’s not bullshit,” Brian Brathovd, aka Caeralus Rex, told his co-hosts on the antisemitic *The Daily Shoah* – one of the most popular alt-right podcasts. If the Proud Boys “were pressed on the issue, I guarantee you that like 90% of them would tell you something along the lines of

One example of such street violence is in October of 2018 when, following a speech by Proud Boys founder Gavin McInnes at the Metropolitan Republican Club in New York City, members of the far-right men's group [violently beat three protestors](#). A video of the beating was taped and 9 members were subsequently arrested. You can read more about the violent far-right Proud Boys in [this article](#) by the Southern Poverty Law Center, which documents even more of the heinous acts and awful speeches that both Gavin and the Proud Boys in general have committed themselves to.

WHO WE ARE WHAT WE DO EDUCATION RESEARCH & TOOLS NEWS TAKE ACTION

Key Points

- The Proud Boys, founded by Gavin McInnes, are a right wing “fraternity” who present themselves as proponents of mainstream conservative values, but engage in extreme, often violent tactics to promote their agenda. The group is not cohesive and is highly decentralized.
- The Proud Boys abhor progressive policies, liberalism and what they call “political correctness,” regularly use violence in the form of street fights, and promote violence in speeches, podcasts, and videos.
- The group, which is nominally part of the alt lite, is overtly Islamophobic and misogynistic, and some members are also anti-Semitic and racist.
- The group's members regularly engage in physical altercations as part of their hazing and membership rituals, promoting violence both as a means of becoming an official Proud Boy and as a tactic for defending their values.

Now back to Doloan/Dylan Daoud. This Skokie bro posts more photos of himself on Facebook, which makes him very identifiable, even if these are his glory days, long past. From our recent sighting, he doesn't look like this anymore. it seems like he's lost his hair and gained a tummy (which no hate! Bellies are cute!)

We've additionally archived all of Doloan/Dylan Daoud Facebook friends. Check out [Tom Dundee now Tom Kilmister](#), (much to dead Lemmy's annoyance, we're sure) who we exposed as Proud Boys president [Tom Christensen](#) in a previous article. Remy Del Toro also makes an appearance, yet another Proud Boys Chicago member who we have documented and are writing an article about. "Josey Wales" also makes an appearance. We will get to Joseph Timothy Ince aka "Josey Wales" in an article very soon.

Doloan/Dylan Daoud's last known workplace is:

They're a global company, based in Germany and like most places outside the US, they take the rising tide of fascism very seriously. Give them a call or e-mail them and let them know about their employee is a member of an SPLC designated extremist far-right hate group!

So we can't publish home addresses or phone numbers on this platform. To read more about Doloan/Dylan Daoud that cannot be published directly on this blog due to publishing requirements, please click [here](#).
