1/ Apparently they don't care that he's a proud boy? Maybe they just didn't get enough calls, though? We can fix that, bet.

1a/ Chris is a 4th Degree Proud Boy, meaning that he's committed at least one act of violence on behalf of the hate group. Windows Plus LLC, do you give this man access to your customers' home addresses?

The initiation process for the Proud Boys, according to McInnes, goes something like this:

First degree - Declare you're a Proud Boy.

Second degree - The other Proud Boys "beat the crap out of you" until you can name five breakfast cereals. You also have to stop "beating off."

Third degree - Added to the above, you get a tattoo.

Fourth degree - The final step involves "a major fight for the cause," McInnes said. "You get beat up, kick the crap out of an antifa" and possibly get arrested.

2/ Chris also loves to send women unsolicited dick pics, even his “patriot sisters.” 🤔

3/ Here is he with Enrique Tarrio, current leader of the Proud Boys (more about him here)

The Proud Boys founder Gavin McInnes banned members from attending the Charlottesville rally. Now the group has named Enrique Tarrio as chairman. Here's Tarrio, in Charlottesville.

4/ A quick stroll thru his FB reveals the rhetoric and hatefulness one is used to seeing from Proud Boys.

5/ Oh look, here's Proud Boy Jeff Grigg/Smitty giving Chris a little shout out. He was one of the Proud Boys who attacked protesters in Providence, RI, on 10/6/18.

Chris S White is 😊 feeling happy.

6/ Chris White also likes to show up to fash fests and flex his sunburn. Here he is in Philadelphia for the We The People Rally on 11/17/18

7/ So today, let's make it harder for a fascist to organize. Call Windows Plus LLC at (239) 267-5858 and let them know they've employed a fascist, hate group member and he's got to go.

8/ And just because I'm petty asf, here's a photo of Chris and his bloody nipples, no doubt chafed from wearing knock-off Perry shirts all day.

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership
