Meet Lake Stevens Proud Boy Guy William Betten Jr.

Bill is #6 in the now infamous Razzals group picture with chapter organizer [Justin Lux](#) (#10) that has been the subject of such controversy.

On his public Facebook Bill shares his obvious distaste for antifascists and his familiarity with the politics of white supremacist prison gangs. Bill claims that whites are the majority in the prison system however according to the U.S. Bureau of Justice Statistics in 2013 black males accounted for 37% of the total male prison population, white males 32%, and Hispanic males 22%. Math has never been a strong suit for Proud Boys.

has turned his life around & tells you like it is.

This guy spits the truth, check him out.

Tennessee State Representative Burchett introduces the Unmasking Antifa Act, July of 2019. Whatever side of the political aisle you prefer, I hope we are on the same page & see these people for exactly what they are, Domestic Terrorists. If & when this bill gets some traction & become a reality, it won't be all fun and games. You will get hard time, up to 15 years for these terroristic acts, while hiding behind a mask. The property the business is registered at is an unimproved property with one shed and a few campers. We wonder if the neighbors are aware of the hate group member operating a business in their area.

Bill shares a name with his father so some records are hard to discern the two however one of them is involved with local politics and at over 90 years old its likely not Bill Sr. One of them ran for Commission Position 3 of the Snohomish county Fire District 04 in 2017. They registered with the same phone number and address for Betten Motor Freight.
