JACK MCCASLAND – WICHITA FALLS PROUD BOY & LAW ENFORCEMENT OFFICER

All fascists are dangerous people to their communities. There are degrees to which that danger varies, but we would think that being a member of a fascist gang and also a **law enforcement officer** would be the most dangerous.

We exposed Jack and the rest of the **Wichita Falls Proud Boys** some time ago. He deleted his Facebook and Instagram, but it was way too late. Jack is an employee of Autozone as well as ~checks notes~ a **Sergeant of Correctional Officers for the Texas Department of Criminal Justice**. Here's [his salary as published by the Texas Tribune](#). Well now, that is a problem.

This looks like a threat. Is this a threat?
