Haley Adams

Haley Adams is a white nationalist member of Patriot Prayer who has been a consistent presence at Patriot Prayer and Proud Boy events and struggled to transform herself into an alt-right celebrity.

Proud Boys, and her own group of far-right amateurs. After a feud led former Proud Boy Kim Costello to be outed, Rose City Antifa was sent another tip, detailing Adams' home address.

Haley Adams currently lives at:
16751 SE 82nd Dr Apt 1202
Clackamas, OR 97015

Joey Gibson Proud Boys are out. Leadership doesn't want them in Portland anymore.

Cole Strong **Tiny Toese** Travis got disavowed over threatening a Brother but there wasnt any issues with the threats that your boy made against Haley and myself? Thats why all this escalated. She never made a threat to dox him to

being disrespected constantly. Its even more ridiculous to me that all these issues are now put out on a public post that has now made its way to twitter. Figure your shit out

In the course of a comment thread between a number of Patriot Prayer and Proud Boys activists, Tiny Toese reveals that Proud Boy Travis Nelson was disavowed for threatening a fellow Proud Boy, and that the Proud Boys formally “disassociated” from Haley Adams after she allegedly threatened to dox a member of the Proud Boys hate group. Adams’ boyfriend, Proud Boy Nate Strong pushes back, and Tiny Toese threatens to release information about Adams. Also participating in this conversation are Patriot Prayer members Chris Ponte, Russell Schultz, and Reggie Axtell; Joey Gibson; and would-be arsonist Proud Boy Rob Cantrall

Francois Prix I finally actually watched this and honestly, I've never like the arrogance that came from this guy even when he was a PB. He's just another haley pawn in the grand scheme and hes gonna find out the hard way. Its funny how she has so much control over them but yet, they're "men". Shes already gotten ppl put into the hospital for following her. I wouldn't ever answer to some immature little thot and think that what she does is righteous because it's not. Their whole thing is gonna come crashing down. He wants to say the PB's don't have their shit together? Look at the dumb stupid shit haley does on the regular and tell me that again. He wants to talk about aids yet theres this big mouth fuck doing what he does best and says dumb shit like this and is calling ppl out. It's all so hypocritical

Misogynist members of the Proud Boys hate group and their allies complain about misogynist white nationalist rape-apologist Haley Adams. Juliana Wood tells Enrique Tarrio (aka Enrique Fenix) about Haley doing cocaine in Texas.

Tiny Toese disavows Patriot Prayer and Columbia River Proud Boys president Daniel W Garriss (aka Hans Foon Tarris) explains that it is partially due to disputes between the Proud Boys and Haley Adams.

Haley Adams argues with Tara LaRosa, a former MMA fighter and indefatigable sycophant of the Proud Boys hate group. In the conversation Haley reveals that she

Adams made her first appearance with semi-organized far-right activists in Portland on April 29, 2017, when Joey Gibson exploited an anonymous letter in order to storm through Portland's Montavilla neighborhood with a number of fascists who threw roman salutes and left white supremacist graffiti in their wake. Jeremy Christian was one of the white supremacists who attended that rally, who less than a month later would murder two people and seriously wound a third, who attempted to stand in the way of him harassing two young Muslim women on a MAX train.

Haley Adams is seen marching with Kathryn Townsend, Amy Williams, Ryan Kerr, and her mother Concetta Adams; as well as with their faithful neo-Nazi allies, PDX Stormers members "Germany" and Bogdan Gerasimyuk

You wanna ride on the short bus? We can make that happen. Oh wait, i forgot, you lefties prefer to ride UNDER vehicles, not on them.

In a series of twitter posts, Halley Adams manages to express vicious misogyny, homophobia, transmisogyny, ableism, and vague threats referencing neo-Nazi James Fields vehicular murder at the fascist "Unite The Right" rally in Charlottesville

Haley Adams regularly creates and engages with posts advocating Charlottesville-style vehicular murders, including on #HimToo posts.

Remember Emmett Till? He was accused of sexually harassing Carolyn Donham. Her lie led to his unimaginable death. An open casket revealed the putrid nature of a lie, of hatred, of believing a "survivor" over the self-evident truth.

Adams claims Emmett Till was lynched simply because a false allegation of sexual harassment was made against him, ignoring the overwhelming context of racist Jim Crow laws at the time. Her callous and dishonest use of Till's murder in a meme promoting a reactionary moral panic gets to the heart of the bad faith within #himtoo, and perpetuates the routine exploitation of black suffering that is integral to white supremacy.

Tweets posted by Haley Adams show that she is more than happy to participate in spreading unfounded rape accusations, as long as they further racist Islamophobic talking points or dangerous #PizzaGate style conspiracy theories.

Adams frequently extolls racist themes on “White Pride” and “white power” on her social media accounts. She also wore a helmet decorated with the neo-Nazi propaganda slogan “It’s Okay To Be White” at Joey Gibson’s extremely violent 6/30 rally in downtown Portland, where she marched with fascists, some of whom had also participated in the infamous and deadly August 2017 neo-Nazi rally in Charlottesville.

Patriot Prayer member Haley Adams is a virulent racist who threatens violence against marginalized communities.

In a video from November 2018, Haley Adams yells that she supports “White Pride”. In the full video Joey Gibson and Tiny Toese attempt to discourage her from being so open about her racist views.

Through the end of 2018, Adams has started a campaign of attempting to get Ted Wheeler, the mayor of Portland, fired. It is unclear exactly why she is attempting this, other than voicing the idea that working with a white nationalist to express ire at elected officials is something that supposedly “the left” should do. To that end, she has disrupted city council meetings; held endless and poorly-attended sessions on the City Hall plaza; attempted to harass, and intimidate, and threaten leftists at union halls and other meeting spaces; and even disrupted the city’s “listening session” responding to police and far-right collusion, by standing on a church pew, yelling, and gesturing in the style of a roman salute. The only notable effects of these activities is that she has drawn in a small group of far-right personalities with nothing better to do than follow her around and film her antics.

Haley Adams and her desperate conspiracist sycophant James Robert Wright

Rose City Antifa will continue to defend our city and our communities against any incursion by racists and fascists. If you have information about Adams, her cronies, or other white supremacist organizing, please email us at fight_them_back@riseup.net.
