Proud Boy Identified as Middle School Football Coach Michael Steven Pollardo

Michael Pollardo is number 8 in the Razzals group picture that led to the bar being painted with anti-Proud Boy messages, public statements by members of the Proud Boys regarding support from the bar and a Peace vigil. Also pictured here is chapter organizer and Boeing employee [Justin David Lux](#) and others found in the “Doxxes” menu at the top of our blog.

Michael is a football coach at [Cavelero Middle School](#) in Lake Stevens Washington. [Records show](#) that he was employed and coaching at the school this year. Posts on his public Facebook account show him on the field during a game. Another post shows Michael in Boise Idaho at a [football camp for ages 6-18](#) presumably coaching and chaperoning students. Parents should be aware of Michael’s ties to a group the Southern Poverty Law Center and the Anti-Defamation League have designated a hate group.

Michael's public Facebook account is filled with glorification of firing squads, hunting antifascists from helicopters and murder on Christmas. He is also a prolific distributor of absurd conspiracy theories as well.

This article will be published just in time for Michael's birthday in a few days. Happy Birthday, Michael. Your New Year's Resolution should be to quit associating with a hate group.
