## Lake Stevens Proud Boy Identified as Joshua Reville

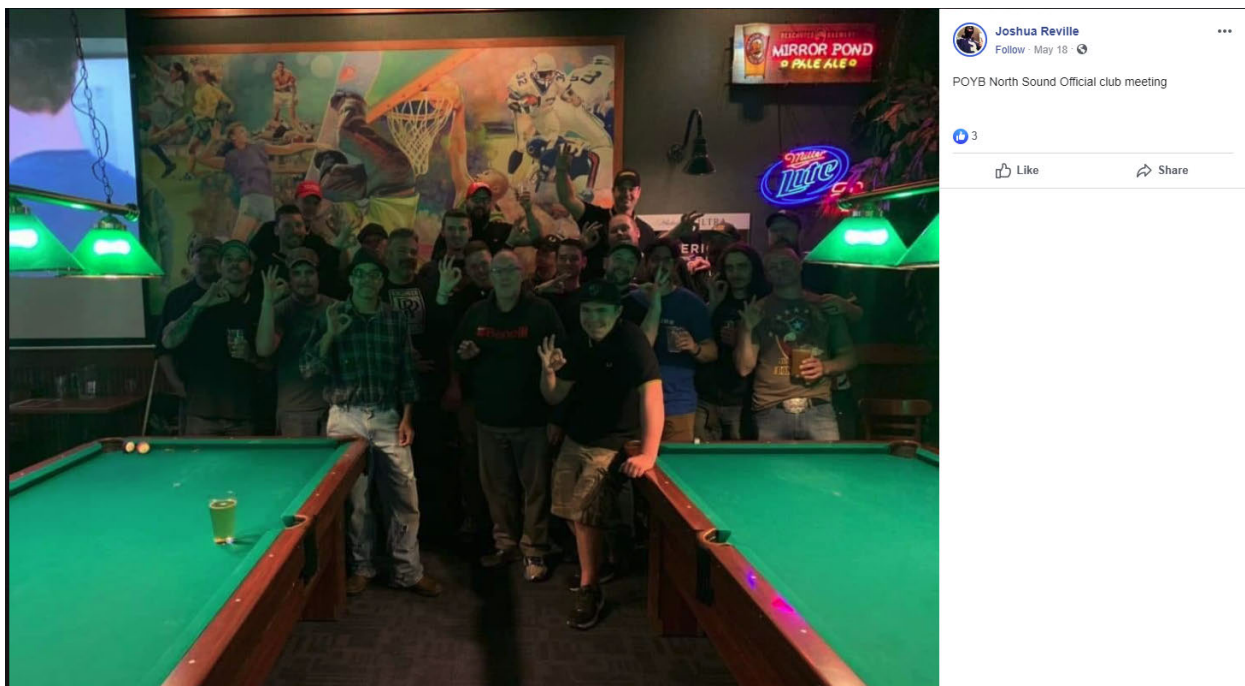

Reville has been identified as number 23 from the now infamous group pic taken at Razzals Bar in Lake Stevens Washington.

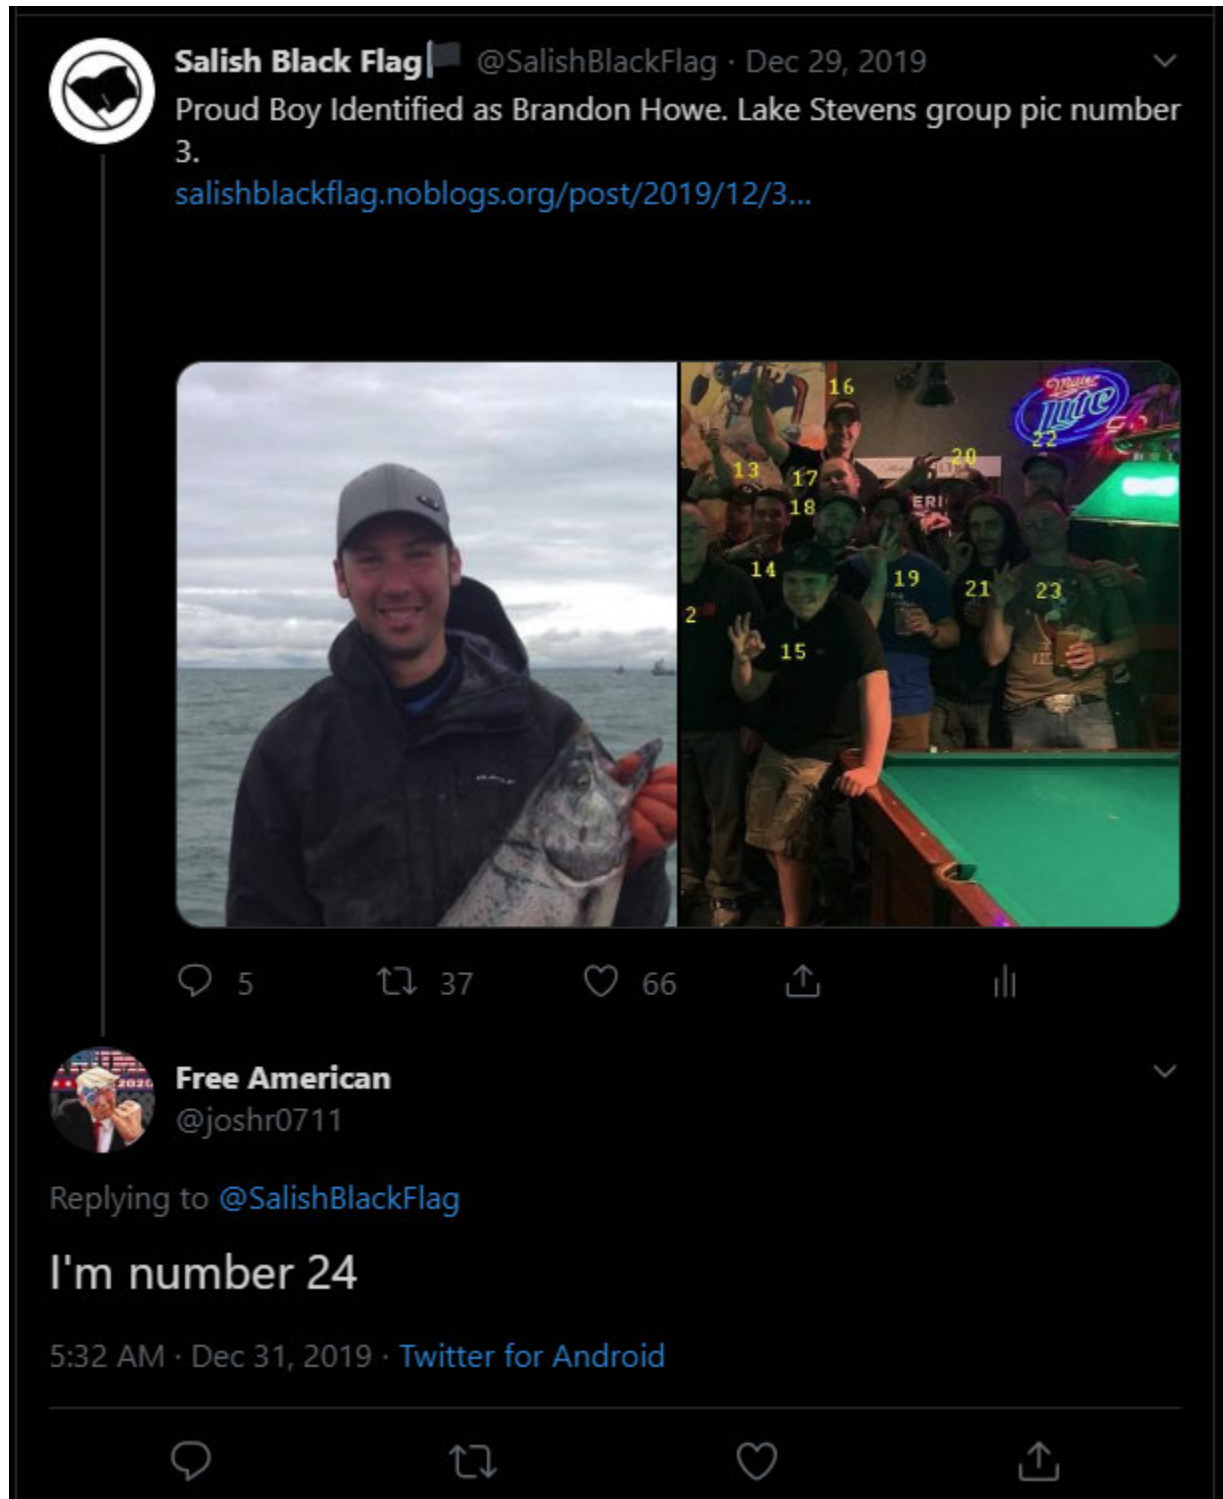

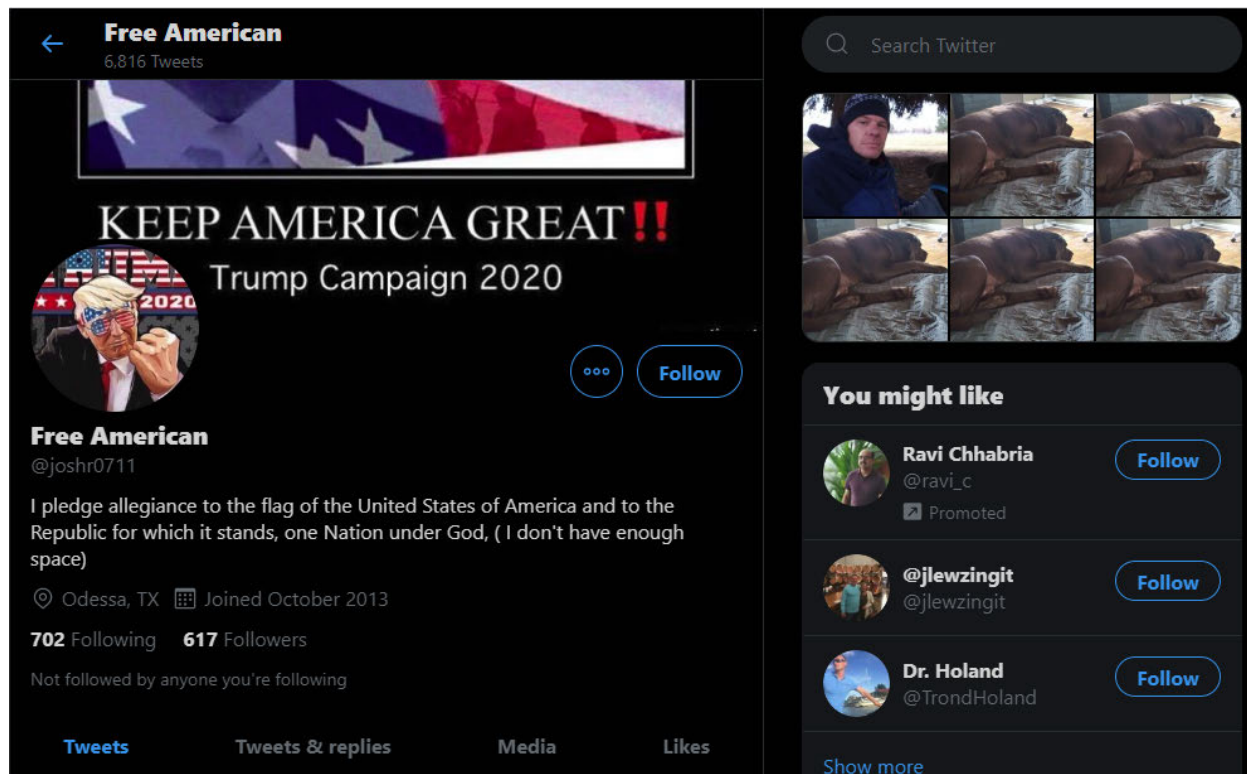

On his [public Facebook](#) Reville confirmed that the group pic was indeed the North Sound Proud Boys official meeting.

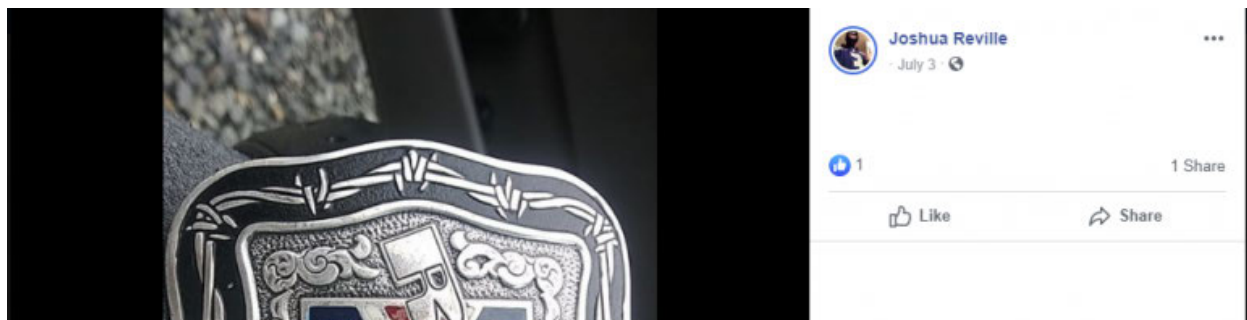

Reville replied to our article exposing Proud Boy Brandon Howe on Twitter stating “I’m number 24”. It’s unclear if Reville cannot count or was trying to be humorous.

Like most Proud Boys Reville is a rabid Trump supporter. This is evident from his [public Twitter account](#) where he posts ultra-right wing views and memes.

Reville also posts considerable amounts of Confederate apologia and neo-confederate propaganda. He posted a pic to Facebook showing the Confederate battle flag belt buckle he's wearing in the North Sound Proud Boys group photo.

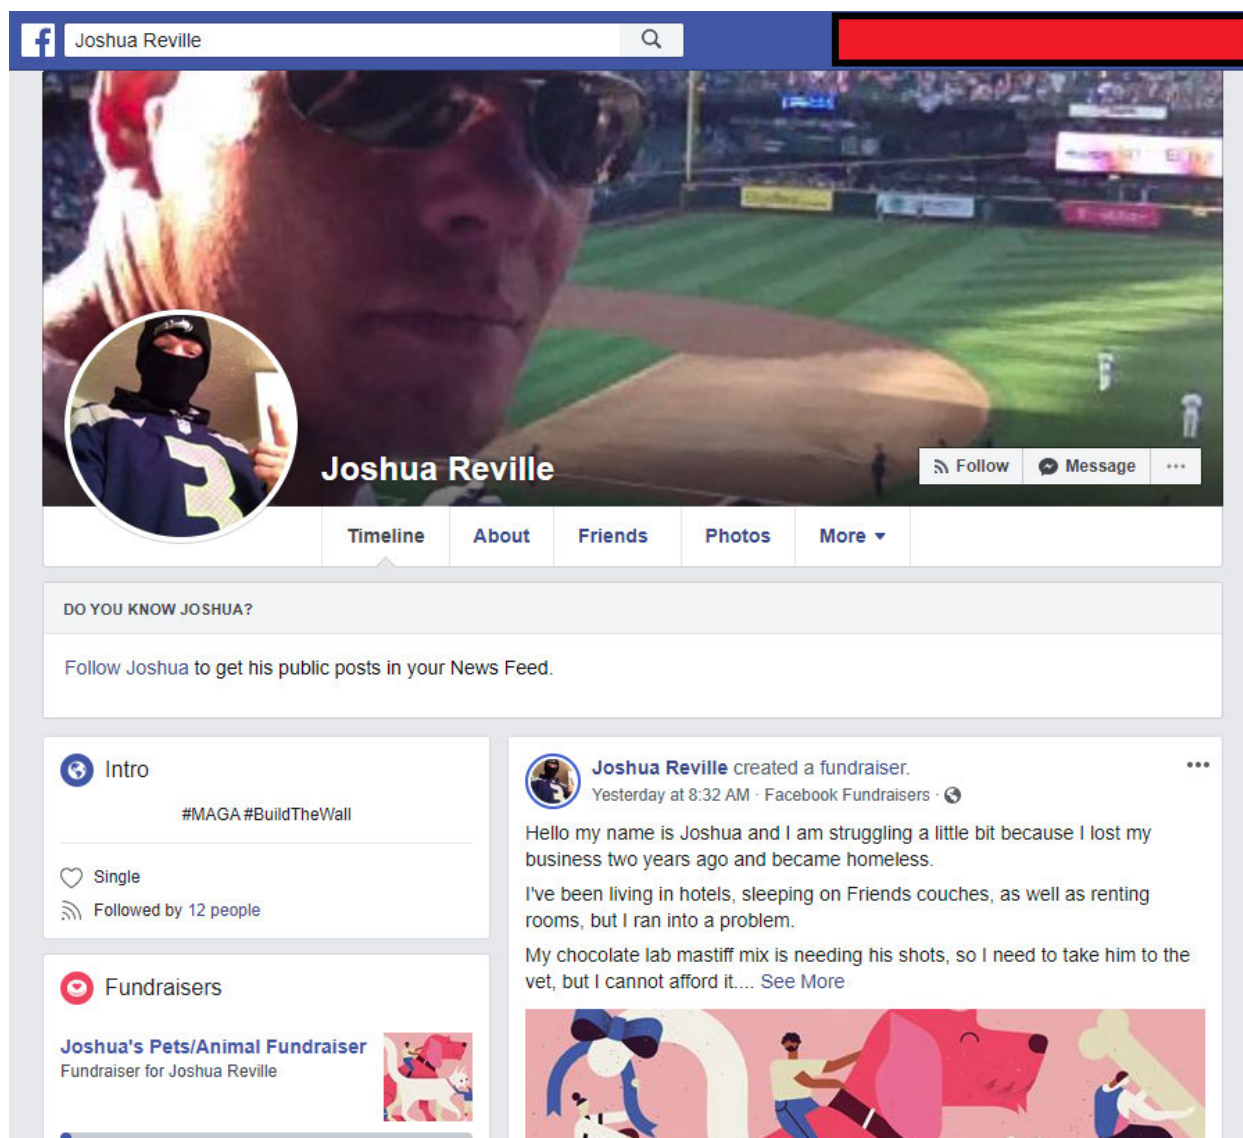

On Facebook he alleges that he is currently unhoused and has a GoFundMe for medical care for his dog. There is no evidence his “brothers” in the Proud Boys have attempted to help him nor have they shared his GoFundMe on any of their social media accounts or donated to it.

Hello my name is Joshua and I am struggling a little bit because I lost my business two years ago and became homeless.

I've been living in hotels, sleeping on Friends couches, as well as renting rooms, but I ran into a problem.

My chocolate lab mastiff mix is needing his shots, so I need to take him to the vet, but I cannot afford it.... [See More](#)

The business he is referring to was a lawn care service called “All About Lawns”. In the April 22, 2015 issue of the Sequim Gazette Reville advertised his lawn services along with his phone number and email address. We can confirm this business is indeed defunct.

On any given afternoon or night, there's a good chance you can catch live music in Sequim, whether it's a fiddle group at the farmers market, a rock band at the casino or a symphony concert at a church.

depends on the venue. Dale Dunning, owner of the Oasis Bar & Grill, 301 E. Washington St., remains a vocal opponent to music corporations pressuring him to pay royalties for songs played by performers.
