

Jobel Barbosa

Jobel Barbosa, D.O.B 09/05/1979 is a U.S. Army veteran who has decided to join up with the ranks of the Philadelphia Proud Boys. This continues the ever so predictable trend of reactionary politics holding a frightening grip on the U.S. Military.

He lurks around with the Proud Boys and seems to maintain a friendship with the core group, showing up in public to some of their events.
