Posted on **8 July 2019**

Nicholas Tyler Gibbs, who is in his early 30's, is a self-avowed nazi and machinist at Halo Industries in Huntington Beach, CA. We feel that you, residents of the community, should know more about Nicholas Tyler Gibbs and the danger he poses so you, the greater Long Beach communities, can unite against the threat of white nationalism and white supremacy.

Nicholas Gibbs is an active member of Golden State Skinheads, an [ADL](#) and [SPLC](#)-designated hate group.

In 2008, Nicholas Gibbs was charged with a Seal Beach, CA, **hate crime beating** in which the victim required hospitalization. He was subsequently sentenced to **six years in prison for the attack**.

This expose has been posted to keep our community aware of people making threats of violence. The police won't do anything to protect Long Beach from white supremacists so it is on us to help defend our communities from the growing threat of white supremacy.
