mentions aka Tim Manning, the Nazi high school teacher from South Carolina who got all the Nazi Airbnb reservations cancelled for Unite the Right was, for a time, the most hated by Nazis Nazi in America. He did, however, have at least one defender.

A Discord user using the handle PureDurePure offered a rousing defense saying "Dude, you have no idea how much @SCnazi does for this movement, and has done for his whole adult life." HIS WHOLE ADULT LIFE!!!

Dude, you have no idea how much @Ghazi2 does for this movement, and has done for his whole adult life. To call out the action for the damage done is fine; to speculate as to malicious intent without knowing anything else about the man is fucking like-fake news. The man apologized sixty-gillion times. You all kept tweeting. He's been kicked from here and God knows what else. Yet, the bitching continues. He's working, even now, to mitigate the damage and maintain the highest level of attendance possible amongst those affected. So even after his apology, his digital seal, and - still - his cooperation, yet are unsatisfied. What else is required/expected from grown men? The only people who have been given after-the-fact have been given everything that can be given are women, minors, and kids. Do what you want as you modeling your own parent behavior?

I'll tell you this: taking him off the field of play, so to speak, cripples - hell, all but virtually disbands - the South Carolina SRC

@Wade Garrett

I didn't defend the act, but the man's character, which was/is under siege due to one honest mistake, which is ridiculous - indeed, it's Jewing of the first order.

Note that I'm not questioning your overall character, but simply saying that your present behavior is pernicious, and is not an honest mistake, a momentary lapse in judgment, or a single breach of protocol, but a sustained campaign of vilification against a solid member of this community.

You decry being compared with our enemies, but sit around talking shit "Oh, I've heard other bad things about him" like a bunch of sassy fat niggers at the salon. If you have evidence against the man apart from that single post, please present it. Good White men care about uncovering the truth. We don't operate on gossip and innuendo. You're pulling your best "internet tough guy" act from behind an avatar to literally threaten someone who's public (see photo) for questioning your digital lynching of a Kemerad. You bristle at being compared to the Jew when you've converted your own little Discord Sanhedrin.

Get a hold of yourself, for fuck's sake.

I'm a neophyte in terms of the Discord and I don't inhabit any forum with any real regularity. I drop a BBS comment on a Stormer article and move along, so I'm unfamiliar with just about everything outside of what's transpired here.

I haven't been blindly defending anyone, because until your last two posts, I haven't seen a prosecution, but a witch hunt. I was asking for a measured, reasoned, and evidence-based response to an extremely unfortunate happening. You have now provided that here, which I greatly appreciate.

I will say that while I'm no stranger to the Hitlerian worldview and struggle, I've always been a "lone wolf" (insert joke re: WN 1.0 LARPing) and had no formal involvement with the movement outside my public individual activism (even now, the majority of my time online outside of our articles and podcasts is causing brain aneurysms in my law school classmates on Facebook) until the SBGs were formed.

I have no old beefs, but likewise no old information. I can only say that @SCNazi has never given me any reason to doubt his sincere commitment or his integrity, and I will look forward without reluctance to his answers to the above.

As I said, I strongly disagree with your characterization of him based on my experience, but I do sincerely appreciate your taking the time and effort to provide what I requested. I will wait and see what he says.

I'll go read through that thread again. I was under the impression that, the moment the shit hit the fan, @SchNazi and @O.W. von Diez (the originator of the house idea, which I think is brilliant and was very excited about versus a run of the mill hotel/motel) immediately began a coordinated effort to stop the bleeding, identify the breach, and lash together a Plan B for the displaced, and so I thought anything @SchNazi was saying regarding the situation after the news broke was being said with the knowledge and blessing of @O.W. von Diez - whom - by treating him here - I ask to correct me if I'm not the case, and he does indeed assert there has been patent finger-pointing on @SchNazi's part.

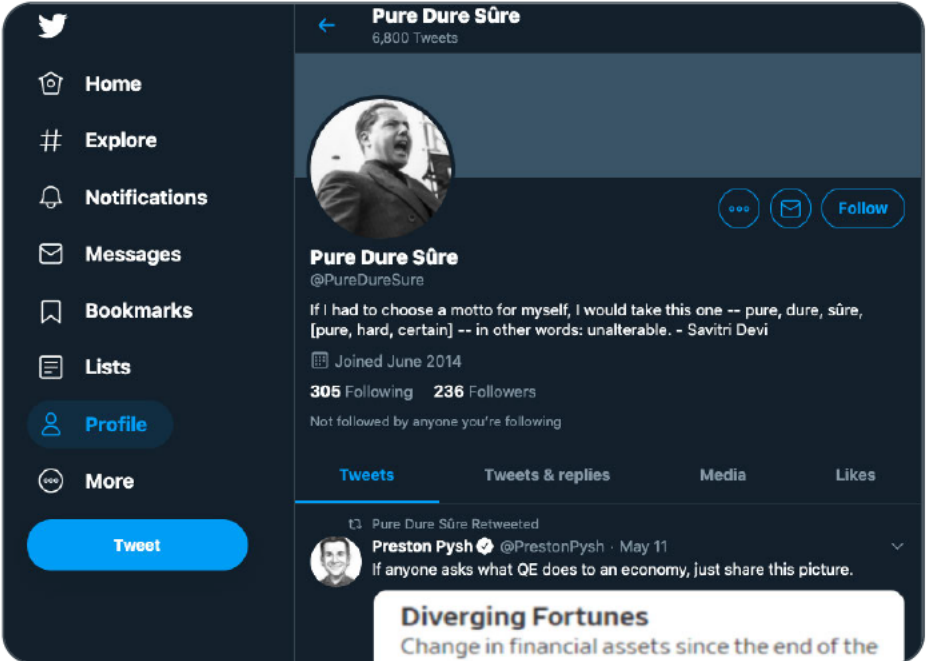

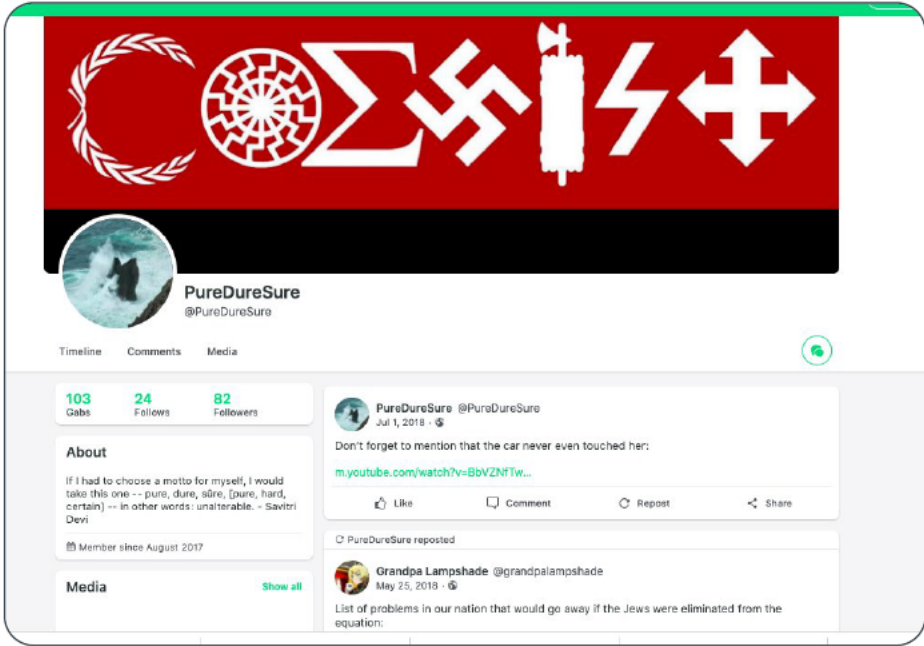

Thank you, @Marie Garrett

PureDurePure is actually a middle-aged white supremacist from Elgin, South Carolina by the name of Patrick Joseph Laporte IV.

How do we know this, well mostly because he says so. He spews his toxic Nazi garbage under the name PureDurePure on all the sites the kids use like Gab, Discord, and Twitter.

If I had to choose a motto for myself, I would take this one -- pure, dure, sùre, [pure, hard, certain] -- in other words: unalterable. - Savitri Devi

ಜೂನ್ 2014 ಸಮಯದಲ್ಲಿ ಸೇರಿದ್ದಾರೆ

He is on Facebook as PureDurePure as well.

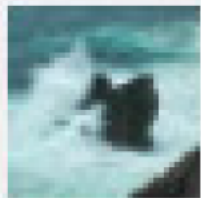

Patrick LaPorte IV, 35 years old, a white nationalist from South Carolina who attended the rally, said he was drawn to the event even though there wasn't a single group driving the charge, but rather a loose conglomeration of like-minded people connected on social media. Mr. LaPorte, who brought a mouth guard with him for protection in the event of a brawl, said he isn't bothered when people call him a Nazi, though if he were to label himself he would say he subscribes to "white identity."

It is probably fair to call Patrick Laporte IV a nazi too.

That's glorious! Heil Hitler!

Patrick Laporte IV is certainly an anti-semite. Here is advocating hatred and violence against Jews.

Patrick Laporte IV certainly likes musing about potential violence at events.

If you think that thing is for hand-to-hand, you're sorely mistaken. You mount the rifle for a reason: the standoff distance.

Patrick Laporte IV referenced the South Carolina chapter of the SBC which you can read about here:

**Daily Stormer Book Clubs (SBC)**

SBCs are small localized crews of young white men who follow and support Andrew Anglin and his neo-Nazi website, The Daily Stormer.

<https://www.adl.org/resources/backgrounders/daily-stormer-book-clubs-sbc>

He is a big enthusiast of the Daily Stormer and Andrew Anglin.

I am ONLY here for Andrew Anglin.

You apparently don't understand the loyalty people give to a man who fights for them and never slackens, never tires, never loses courage, and never loses faith.

You could have been such a man, too, if you had the gumption to stand for your stated principles

**Enough, already.**

This controversy over the Spanish Olympic Basketball team's ad is out of control. The civilized world is now chock full of people with nothing better to do, culturally or politically speaking, than sit around and wait to be offended.

The Chinese are crying foul over a simple photographic gag. Hey, Chinese (and other Asian) people! Are your eyes not slightly askew? This wasn't a fabrication. It's a simple truth of your existence and ours. Are you ashamed of the form of your own eyes, something over which you have no control? That's just silly - and unless you have a deep-seated problem with your own physical features in that regard, it's hardly fair to ostracize people for pointing it out.

The forces of diversity, political correctness, etc. - call it what you will - are out of control. They are proponents of nothing less foul than WILLFUL IGNORANCE OF THE TRUTH. They literally seek to usher us into an intellectual dark age where ideas and opinions cannot be effectively expressed, mired as they will be in a minefield of incensed interest groups ready to attack.

promoting just that - tolerance. But there is a

The excellent expose of the White Supremacist organization Identity Dixie is required reading. But let’s look a little closer at one of their key organizers Lucas “Luke” Gordon, aka “Silas Reynolds” and “John Brigand,” of Ruther Glen, Virginia. [splcenter.org/hatewatch/2019...](https://splcenter.org/hatewatch/2019...)

Luke Gordon would probably tell his employer and non-Nazi friends that Identity DIXIE is merely a Southern Pride organization. But let’s take a quick spin through a few of his online activities. As Silas Reynolds he has posted many racist,
