Dickweed Nate Marshall Makes the News Again - Threatening Jefferson County Recall Activists

Edit: Tough guy already blocked us on [Twitter](#). We hope the coroner wraps up a cirrhosis case by the end of the day or that his meth sores develop MRSA and an ill-trained nurse is forced to behead him in hospice care. Nate, I will dance for weeks and empty my bowels onto your grave until my colon ceases to produce any kind of matter. I hope you're hit by a train. Sincerely I hope it.

Our favorite cuckold for public embarrassment has once again [made the news](#) and been forced to issue an apology after stating that anyone attempting to recall racist, history revisionist white-washing school board members in Jefferson County should be executed. He is currently under investigation by the Jefferson County Sheriffs Department. Nate, as some of you know, was forced to [cease his quest](#) for a state congressional seat after it was revealed that he attempted to start an [armed cell of white supremacists](#) that was exposed by local antifascists.

Nate's apology to school board activists indicated that he has been abusing alcohol and is suffering from an undisclosed illness. Hopefully he pops a couple back at his favorite haunt, the [Bout Time Pub & Grill](#) and wraps himself around a telephone pole on the way home. Whatever disease you have, Nate, we hope it ravages your mind and body and you die slowly. Just eat a bullet for dinner next time, tough guy, like your hero.
