Thomas Randall Sparks: Albuquerque Proud Boy, Nazi conspiracy theorist, and convicted child molester

This article was written by comrade @all_socks & edited by Chicago Anti-Fascist Action.

Too big of a reveal for a Twitter thread, this identification all started with a simple question:

Who is this LARPer rocking Proud Boy colors, body armor, and knee pads with a go-pro strapped to his head at the Proud Boys rally in Albuquerque, New Mexico?

computer, enhance.

First, it should be noted that of the fourteen Proud Boys who did show up to wave some flags with police protection, four of them have already been outed on the [@all_socks](#) Twitter account, with more on the way! Local media The Daily Lobo [reports](#) on how the community turned up to stand against fascism to send a message to violent far group that day, most notably that the Proud Boys were outnumbered 10:1.

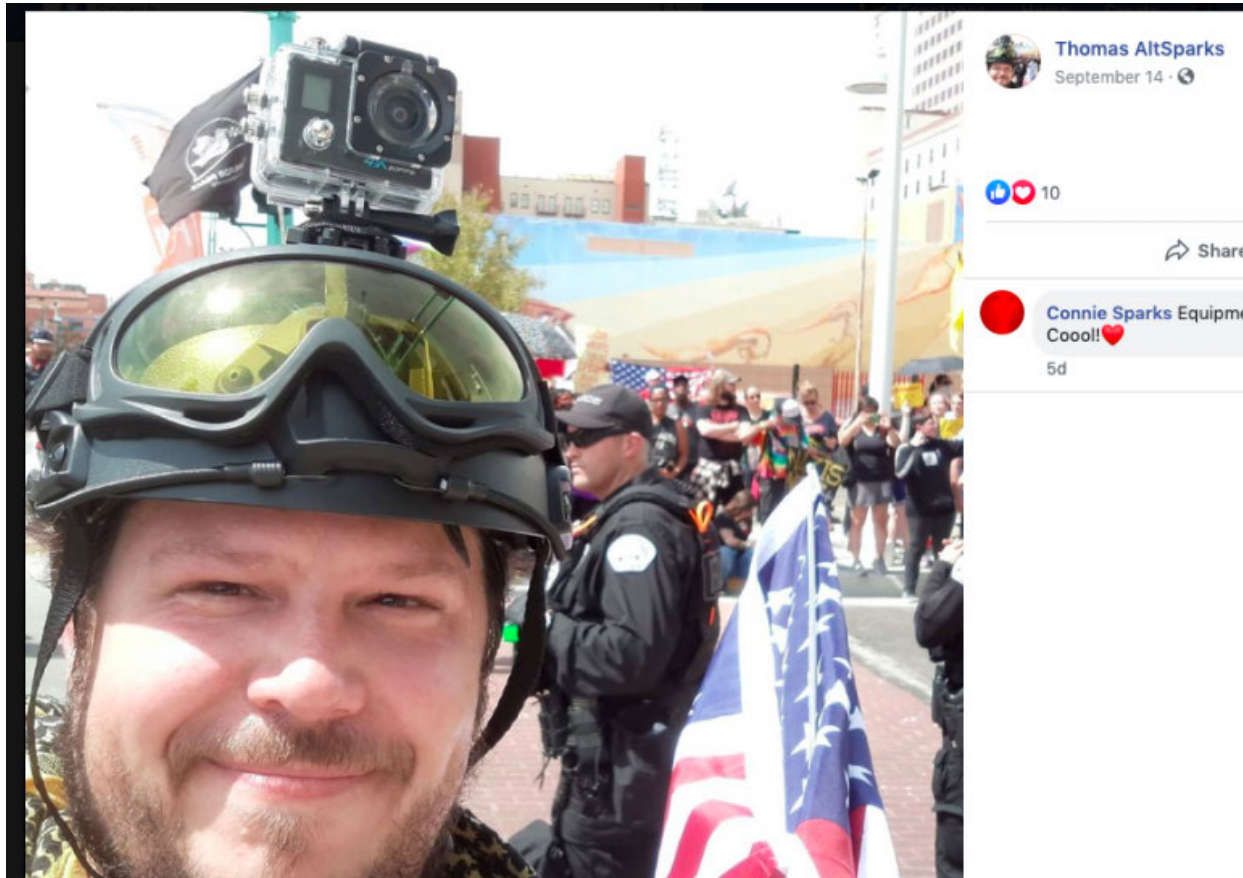

Who are the Proud Boys? They're a violent far-right extremist group connected to about a dozen brutal attacks across the country, known for organizing with other white supremacist organizations. [Check out](#) what the Southern Poverty Law Center has to say about them:

Patriot Front (PF) is a white nationalist hate group that formed in the aftermath of the deadly "Unite the Right" rally in Charlottesville, Virginia, of August 12, 2017. The organization broke off from Vanguard America (VA), a neo-Nazi group that participated in the chaotic demonstration. PF's founder, [Thomas Rousseau](#), led VA members during "Unite the Right," including James Alex Fields, Jr., the young man accused of murdering anti-racist protester Heather Heyer after fatally driving his vehicle into a crowd of protesters.

We would like to introduce you to Thomas Randall Sparks currently residing in Santa Fe, New Mexico and previously of Sequim, Washington.

How did we identify him? Thomas Randall Sparks made it easy for us, like so many of these Proud Boys do. First, it was his moniker, "[Thomas AltSparks](#)," the "alt" part is a dog-whistle to other Proud Boys and members of other far right groups that he too is a member of the alt-right, [as explained by the watchdog group SPLC](#).

On this Facebook account, there is this picture of him with his partner Jillian.

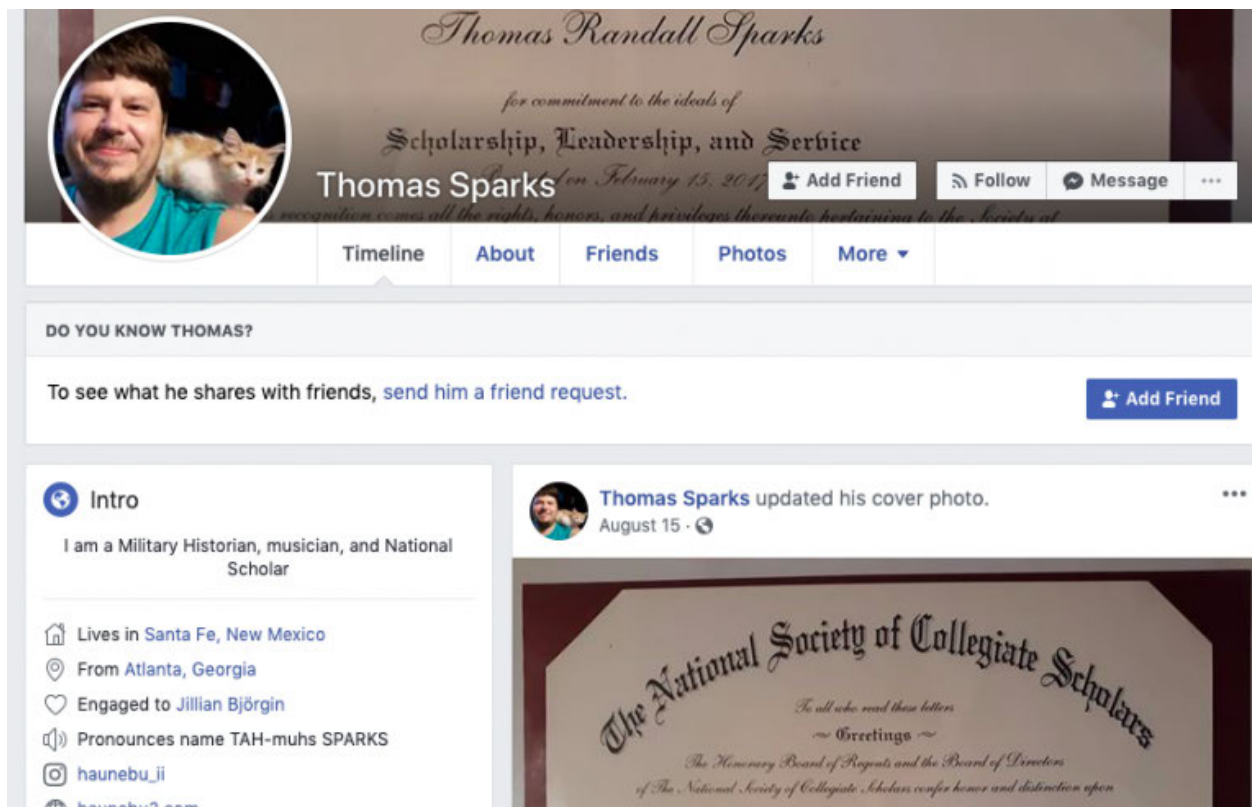

Digging through the photo's likes, it was pretty easy to find a matching face:

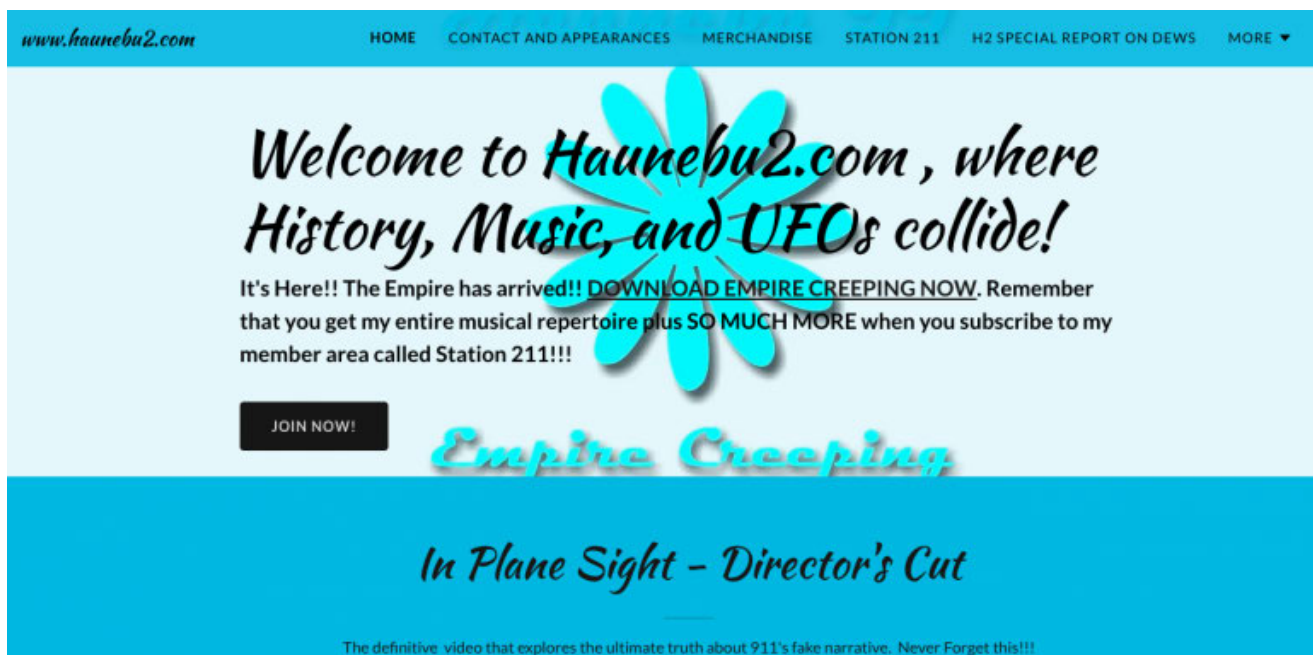

That's Jillian Burgin aka "Jillian Björger", Thomas Randall Sparks' fiancé who is an Environmental Professional at Los Alamos National Laboratory. It should be noted, that Jillian must know about Thomas' prior history of being a sex offender and his involvement with fascist organizing. In doing so, and "looking past" the really fucked up ways that fascist men and abusers operate, she is complicit in helping to normalize his reactionary and fascist views.

Thomas Sparks, using his normal Facebook profile, commented on the photo.

Thomas Randall Sparks is 46 years old. He was born in December of 1972. On his Facebook, he links to [his website \(archived here\)](#) which contains a mixture of his own terrible music, Nazi UFO conspiracy theories, and a plethora of arguments trying to defend Info Wars. The website's name comes from Nazi UFO conspiracy theories, where Haunebu is allegedly a secret Nazi Germany UFO classification.

On this website, we do indeed see that it's the same Thomas Randall Sparks that owns both Facebook accounts. His blog contains a plethora of Islamophobic, conspiratorial, and crypto-fascist references. We won't post any of his hateful content, but there is plenty of Islamophobia, overall bigotry, and Nazi apologia.

After applying a publicly-available domain look-up tool on his website, a whole ton of information was made available.

UFO band name, but based in Port Angeles. Port Angeles is 17 miles or a 26 minute drive from Sequim, Washington.

About

A gifted singer/songwriter/multi-instrumentalist who grew up participating singing in church and school events in Atlanta, Georgia...moved to Washington state in Dec of 1989 where I picked up an acoustic guitar for the first time and began honing my musical skills to a competitive level...

I can pretty much play any instrument I lay my hands on now having a deep understanding of music itself. Combine that with natural ability and a great singing voice. The end result is me...

I was number 1 here locally on the reverbNation.com rock charts for more than three years. Just now slipping to the rank of 3.

Thomas Sparks

Professional Singer/Musician & Songslinger

rank of 3.

I was featured on coasttocoastam.com with George Noory as an Emerging Artist!

I have opened for the number one rae-gae act in Los Angeles, Pato Banton and The Now Generation.

I was featured on Skratch Magazine's - Indie And Unsigned Bands Unite Volume 50 which was handed out at all the big music festivals in California in 2010. Also, on which my music stood out like a sore thumb gaining me a little more national attention and spreading my name like wildfire.

I'm retooling some music for my next body of work in which I have garnered the friendship and musicianship of a few prominent local musicians in my area and a special appearance on bass by Brad Smith of Blind Melon, Unified Theory, Abandon Jalopy fame.

I have donated my skills and voice to the former internet radio show mullyradio.com ,even guest hosting a few segments.

Until lately I have been a largely overlooked yet highly qualified musical commodity but I'm getting my ducks in a row again and look forward to releasing my sophomore CD under my new band name SLINGSHOT. You can check out some of my songs at www.reverbNation.com/thomassparks36. Thanks a bunch,,,Thomas

Washington State law makes it illegal for anyone to communicate with a minor, including in electronic communications, for immoral purposes. Immoral purposes includes any obscene

or sexual words or images. It also makes it illegal for anyone to communicate with an individual they believe is a minor for immoral purposes. That's what he was arrested for.

This is who he is. Another man-child trying to push around people he thinks are weaker than him, namely women, children, Muslims, and leftists.

We, as antifascists, understand that the cops and courts won't keep us safe and that **only we can keep us safe**. It's up to all of us to keep Albuquerque fascist and abuser free.

Thomas Randall Sparks plays music. Let's make sure that he never gets to play another show again. Let's make sure that we know of him to be an abuser and child molester and to bar him from our spaces. Additionally, if he is staying with his girlfriend in Santa Fe, are they near any schools?

As previously mentioned, we can't post personal contact info directly on this platform but we'll direct you to [this link](#) for redacted information.

As always, if you have any tips about any fascists in Chicago or elsewhere, please reach out to antifascistchicago@riseup.net. We'll pass any info on Albuquerque fascists to [@all_socks!](#)
