Exposing fascists and disrupting their organizing in so-called Colorado

Samantha Jenaye Humphries aka Mikayla Thóksape - Capitol Siege Attendee & Nazi Collaborator (CO)

Samantha Humphries, 34, is a frequent member of far-right and openly fascist demonstrations, groups, and coalitions such as the [Proud Boys](#), Anonymous

Denver, Defend Denver, and the [Goyim Defense League](#). Samantha works at [Brown's Greenhouse](#) in Arvada and uses the alias Mikayla Thóksape in public. Samantha has attended a number of Stop The Steal protests in Washington DC, including the most recent on January 6th where the United States Capitol building was stormed.

UPDATE: 2/28/2022

Samantha is now living on a boat with her flat-earthier white rapper boyfriend in Stuart, Florida.

MiKayla Thóksape is with David Melanson in Jensen Beach, Florida.

The boat went into the water yesterday and is now tucked into its slip where we will be [#liveaboardlife](#) from here on. I'm so excited to officially be starting this chapter in life. I love this [#marina](#) and the little oasis it seems to be.

On January 6th, Samantha Humphries posted several photos and videos to her [Facebook](#) from the Washington DC Trump Rally as it turned into a siege of the Capitol Building. It does not appear that Samantha entered the building, though she was certainly part of the crowd that pushed up to the Capitol that provided support for the people who did break in. Below is one of several videos Samantha posted to her Facebook on January 6th:

Samantha even got close to the infamous Q Shaman (Jake Angeli), who is now facing [federal charges](#) for breaking into the Capitol Building. After the riot, Samantha took to Facebook to defend Jake from accusations that he is an

Antifa agent-provocateur.

The comment section of Samantha's siege live streams are unsurprisingly toxic. [Vincent Bertinelli](#), a neo-Nazi living in Aurora who Samantha knows well, stopped by to leave anti-Semitic comments:

Vincent is a core member of the neo-Nazi group the [Goyim Defense League](#) and is a longtime associate of Samantha Humphries. The two regularly share space at far-right protests.

An alternate version of the flyer was shared three days prior by [Steve Hildebran](#), a neo-Nazi in Colorado Springs who is an associate of Samantha's and one of the organizers of the Mile High Comics protest:

Samantha likes the [Goyim Defense League](#) so much she even bought one of their shirts. This one in particular features a Star of David and suggests that all recent major mass shootings are actually Jewish hoaxes.

The Goyim Defense League wore these same “Crisis Actor” shirts on the 2019 “Colorado Name The Nose” tour in which they drive around Colorado in a van covered in anti-Semitic hate speech, harassed Jewish people, and handed out Holocaust denial flyers.

Samantha also has ties to [Defend Denver](#) (formerly known as [Colorado Traditionalist Worker Party](#) (TWP)), has actively promoted the group on social media, and stood shoulder to shoulder with them at anti-LGBTQIA+ protests.

And of course, like virtually every fascist in Colorado, Samantha is close with Colorado Proud Boy [Louie Huey](#). Here is a selfie Samantha posted with Denver Proud Boys Louie Huey, Antonio “Enki” Balderas, and [Joshua Gillespie](#) as they counter-protested one of the first Denver marches in response to the murder of George Floyd.

Samantha bounces around from fascist clique to fascist clique and the Proud Boys are her nest. She appears to have been ousted from the Defend Denver milieu during beef with the Proud Boys, which resulted in [Defend Denver linking](#) to an article [about her arrest](#) for a shooting, thus revealed her name.

Personal Views

While Samantha may know just about every neo-Nazi in the Denver area, that doesn't mean she shares those views, right? Uh, well...

In the comments of an online video, Samantha alludes to a conspiracy theory that "men in small hats" (Jewish people wearing yamakas) are leveraging the

"lgbtq movement" to sexually assault children.

Mikayla alluding to a Jewish conspiracy to sexually assault children

She has also peddled the unfounded anti-Semitic conspiracy theory that Jews control the media.

Conclusion

Despite being an Indigenous woman, Samantha Humphries is one of the most

active fascist organizers in the Denver metro area. She is connected to everyone from the (former) Traditionalist Worker Party, to MAGA Patriots, to Flat Earth Nazis, to the Proud Boys. Samantha is proof that the Conspiracy Theory rabbit-hole always leads to fascism when you go down it [deep enough](#).
