Robert Donovan of McEwen Tennessee is an avowed white supremacist, employee at [@QuadGraphics](#) has a [@Facebook](#) account for his Nazi flag business and declared that the only "good BLMer is a buried BLMer"

Saw one igloo chat on FB talking up BLM like allies wtf. The only good BLMer is a buried BLMer.

12:14 PM

He posts in the "American Guard" Public chat and recently showed up at a Nashville BLM protest for [#GeorgeFloydprotest](#) making his comments that much more concerning. (AG is a [@splcenter](#) designated hate group)

On his FB page he advertises hate group merchandise for "the kids", and which links to his shop where he sells Nazi flags, all of which is just fine with [@Facebook](#) facebook.com/FlagsForSale/

Working hard to make the world a better place. We've been hard at work disobeying quarantine orders, mowing the lawn without a mask on, eating butter and working on flags. We all kniw Pinochet did nothing wrong, and now you can pay your respects with this flag. Also coming along is our updated rebel/fireman flag and a new rebel/EMT flag.

We've got some new buckles on the site, and will be adding Confederate toy soldiers for the kids, some more jewelry for the ladies and even new Dont Tread On Me air fresheners so everywhere you go will smell like freedom!

Robert Donovan has involved with organized white supremacy for years and has appeared at Nazi rallies in support of Richard Spencer. We alerted @AskPayPal about their enabling him to raise money. They have done nothing.

Robert's locked down his twitter account and is on FB. ICYMI he once registered "Final Solution" because he is a Nazi

Sorry they aren't smart enough... show me one example of a black run country that was successful? Until the 1670s Africa didn't have one city that wasn't made out of mud and sticks. Or a system of writing and that was brought in by inferior muslims
