

Colorado Springs Anti-Fascists

Fighting the good fight in Southern Colorado.

Patriot Front Member and Lifestyle Anarchist Samuel Cordova (CO)

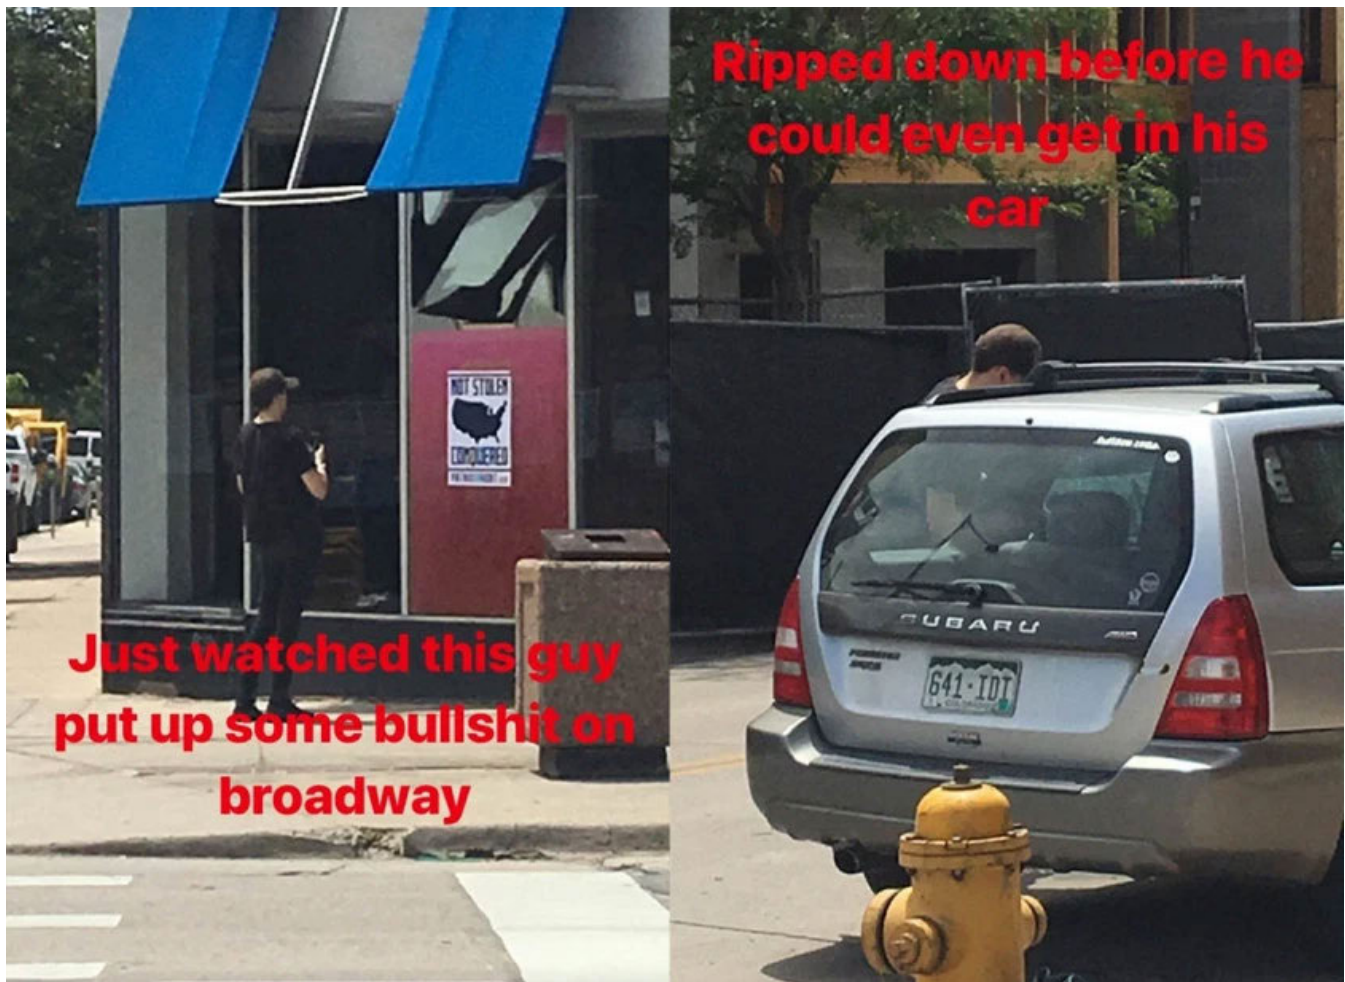

Intro

This release was brought to you in part by the fine folks at [Rocky Mountain Antifa](#).

Many of y'all probably heard the [recent news](#) that queer friendly businesses on Broadway in downtown Denver have been targeted by the white supremacist hate group [Patriot Front](#).

Patriot Front stickers plastered on Hope Tank by Samuel Cordova

The assailant was arrested [later that week](#) when he tried to hit Denver for a third time, this time getting chased off while trying to spray paint the window of BookBar while it hosted at Drag Queen Story Hour event at the end of Pride Month.

These same Patriot Front stickers first showed up in the area around April and were taken down an anti-fascist who was stabbed five times in the near-fatal incident. The attacker, Santi Martinez (who is not believed to be a member of Patriot Front), was not charged [with any crimes.](#)

It is very likely that Samuel Cordova is the Patriot Front member who put up the stickers that nearly killed C, the wounded anti-fascist.

Identifying Samuel was easy, we just took a look at his arrest record and then found his public Facebook page thanks to his piss poor OpSec.

From there, we identified Samuel's two twitter accounts (@[Unoriginalsbyme](#) & @[NeuromancerSc](#)) and Instagram account (@[sc.unoriginals](#)) where he posts alt-right memes, revenge porn, and photos of his gun ([Archives](#)).

Samuel posted a nearly nude photo of a woman's butt on his alt twitter handle @NeuromancerSc, saying that she is unaware that it is being shared. "Revenge porn" under [CRS 18-7-107](#) is defined as "posting or distributing intimate photos of people without their consent with the intention of harassing or upsetting them." and is a class 1 misdemeanor in the state of Colorado. We have an archive of this tweet if the affected party wishes to take legal action.

Revenge porn shared by Samuel on his alt twitter account (censored by us)

Samuel Cordova is also a gun owner. This is a troublesome revelation, as Patriot Front is most notably remembered for its involvement in the murder of Heather Heyer in Charlottesville, which occurred when the group was still organizing under the name [Vanguard America](#).

Happy national girlfriend day to my piece! I love you. You've kept my life safe through thick and thin. I'll keep you on me forever and ever 🇺🇸❤️❤️❤️
(Ignore the other female the only woman in my life is Siggy)

Samuel Cordova is also a [lifestyle Anarchist](#); he likes the aesthetics of Anarchism but isn't down with the politics. Cute.

Conclusion

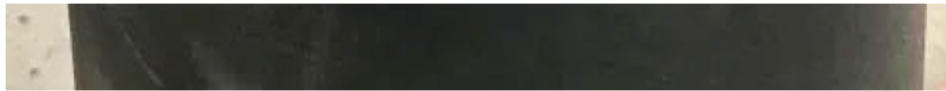

Patriot Front is an unapologetically white fascist organization that was created by a rift in Vanguard America, the fascist group that murdered Heather Hayer in Charlottesville. Samuel Cordova is a danger to our community. He has already gotten one person stabbed, covered Denver in fascist propaganda, attempted a hate crime against a Pride event, distributed revenge porn, and he carries a firearm.

We have received tips from people who know Samuel that he attends [MSU](#) and works at UPS. If you have any additional information about him or are a lawyer representing the woman in his revenge porn posting, please reach out to us at cospringsantifa@protonmail.com

When we said “we [will find you](#)“, we weren’t lying. We’re better at this than you.

Print your own [here](#). Make sure to sticker/flyer with someone and be very aware of you're surroundings, people are getting stabbed in Denver.
